RE: ZIWA LA NG'OMBE SECONDARY SCHOOL.

NG-CDF Nyali allocated Ksh.6,000,000 (million) and was approved in 2020 /2021 Financial year for the construction of Nyali Deputy County Commissioner's office and Administration Police Post.

Due to urgent need for expanded educational facilities as a result of the COVID – 19 pandemic, this office approves the re-allocation of the said funds towards the construction of Ziwa la Ng'ombe Secondary School.

However, we kindly request the NG-CDF committee to prioritize the funding of construction of the Deputy County Commissioner's office in the next financial year (2021-2022) in order to create conducive working environment and decongest Kongowea Police Station where the Critical Infrastructure Protection Unit (C.I.P.U) is currently accommodated.

S.G.GATOBU,
DEPUTY COUNTY COMMISSIONER,
NYALI SUB COUNTY.
