There were no matters arising from the previous meeting minutes

4.NG-CDFC/KINANGO/138/2024/INFRASTRUCTURE DEVELOPMENT FOR JUNIOR SECONDARY SCHOOL

Members were informed by the FAM about Circular NG-CDFB-CEO/MOE/Vol 1(046) dated 16th October 2023. Kinango Constituency had been allocated **Kshs.27,000,000** for FY 2023/2024 through the Ministry of Education. This was a grant towards infrastructure development in 147 registered Junior Secondary Schools within Kinango Constituency. The Sub County Director of Education, the Deputy County Commissioner and the committee should jointly identify the Junior Secondary schools that would benefit from the amount. This should be in the directive of Ministry of Education of matching a shilling for shilling. The funds shall be used for the Construction of Classrooms and Integrated Learning Resource Centers in Schools with Junior Secondary.

FAM further, informed members that Mr. H. Deche Mwatsuma, the SCDE had been invited to the meeting to participate with the members in identifying and approving the allocations.

It was clear from the report read to the members by the Chairman that all the junior secondary school in Kinango lacked enough classrooms. The 147 schools had submitted their request for additional classrooms. Given the allocation of Kshs. 27 million, it was not possible for each school to get a share hence with the help of the SCDE, DCC and the NG-CDFC, the following most affected Junior Secondary Schools listed below managed to get the first priority.

JUNIOR SECONDARY SCHOOLS

5. NG-CDFC/KINANGO/139/2024/FINANCIAL YEAR 2023/2024 / REALIGNMENT OF PROJECT PROPOSALS WITH THE AMENDED ACT DATED DEC 2023 AND APPROVAL OF FY 2023/2024 PROJECTS PROPOSAL.

FAM read to the members the circular on preparation of projects proposal for FY 2023/2024 NG-CDFB/CEO/NG-CDF CIRCULARS/VOL II (034) dated 29th August 2023. Kinango Constituency had been allocated **Kshs.192,897,991**.

Chairman reminded members that Projects deliberations were to be based on ward forum reports done beginning of the year with priority given to ongoing projects. From the last years' FY 2022/2023 projects proposals; three projects were ongoing and hence required additional funds. The projects are:

1. Dalu Tayari Girls Secondary School- : The project was evaluated by NG-CDF BOARD and the report is not out. Allocation of the remaining balance will be done once the amount is revealed from the report.
2. Mazeras Girls Memorial Secondary School: - construction of a twin science laboratory was allocated Kshs.6,000,000 in 2022/23 F/Y and required additional funds of Kshs.3,000,000 to complete the project. Initial cost of the project has reduced from the Kshs.10,500,000 because after tendering the lowest bidder quoted Kshs.9,000,000.
3. Mazeras High School: - The project scope changed from normal project to storey building resulting to a change in the original cost estimate of Kshs 12,600,000 and NG-CDFC committed to construction of ground floor storey building dormitory to completion, The project was allocated Kshs.6,000,000 in 2022/2023 F/Y and needed Kshs.6,600,000 to completion.

4. Samburu Deputy County Commissioner: - construction of an Administration block was allocated Kshs.10,000,000 in 2022/23 F/Y. The storey building is estimated to cost Kshs.45,000,000 to completion. Due to lack of enough funds it was agreed that Kshs.16,000,000 be allocated to the project during this financial year 2023/2024 and balance of Kshs 19,000,000 in the next financial year 2024/2025.

The members were further informed of the circular NG-CDFB/CEO/NG-CDF CIRCULARS/VOL II (035) dated 4th January 2024 received from the NG-CDF Board communicating amendments in the NG-CDF Act with effect from 29th December 2023. The members were notified that all Project Proposals had been recalled in order for them to be aligned to the changes in the Act. The members were thereafter informed of the need to realign the proposal and they agreed to do so during the meeting.

Given the weight of the matter, deliberation was not easy and after lengthy deliberation the following projects were approved for submission to NGCDF Board for consideration.
