NATIONAL GOVERNMENT CONSTITUENCY DEVELOPMENT FUND

LAGDERA CONSTITUENCY

P.O BOX 659-70100

GARISSA

WARD ASSESSMENT REPORT .

ASSESSMENT TEAM

- NGCDFC MEMBE

Lagdera national government constituency development fund discussed preparation and submission of project proposals for the 2021/2022 financial year. However the committee agreed to make open public meetings in every ward in the constituency to deliberate on matters of development in the ward and constituency. Chairman invited all stakeholders and agreed with the committee through consensus on how the exercise will be conducted. The committee was in agreement and the following were the modalities to be used of conducting the meeting in all wards

**METHODS USED TO UNDERTAKE THE EXERCISE**

- Convene public meeting in all wards in the constituency.
- Hearing from the public on priority projects and the committee to confirm the realities on the ground by going through all priority projects.
- Invite all stakeholders including local leaders (members of county assemblies in all wards).
- Invite security team in the constituency

Having agreed on the modalities, the committee agreed to publish the date and the venues of the meetings in all wards. The committee organized a team of five members including the chairman to make awareness campaign on the exercise through local radio stations and all public notice boards.

## GOREALE WARD

The exercise began as planned on 30<sup>th</sup> AUGUST 2021 and ended on 4<sup>rd</sup> September 2021 At 10:30 am all community members and other stakeholders converged in shanta abaq secondary school dining hall to deliberate on development matters for the entire Goreale ward and there after they move round all schools and security institution to confirm the status of facilities required. Chairman thanked community elders for organizing such gathering and asked them to present their needs for consideration. The following is the summary of prioritized projects;

<b>Institution name</b>	<b>Proposed priority projects</b>
Goreale primary school	<ul style="list-style-type: none"><li>• Renovation of 3 no. classrooms</li><li>• Construction of four doors pit latrines</li><li>• Construction of administration block</li><li>• Additional 80 bed capacity dormitory</li><li>• Supply of revision books</li></ul>

#### CHALLENGES DURING THE PROCESS

- Poor road network –most of the roads in the constituency are not tarmac thus reduced accessibility in some of the areas.
- Poor participants due to drought which affected most of the areas in the constituency
- Insecurity-conflicts in the border towns between Lagdera and Isiolo south affected the movement between those towns thus affecting the assessment.
- Lack of mobile networks- the information did not reach some villages due to lack of networks.

### RECOMMENDATIONS OF THE COMMITTEE

- The committees agreed to go through the report and prepare proposals according to priorities needs, strategic plan and considering geographical areas.
- Allocation of adequate funds to projects to avoid shoddy works by the contractors.
- The committee also recommends the board to consider road maintenance to ease the monitoring of projects.
