SUBMITTED

OCTOBER 2019

## Introduction or Background

### CONSTITUENCY DEVELOPMENT FUND

#### BACKGROUND

The National Government Constituencies Development Fund was created by the Constituencies Development Fund Act, 2003 with the primary objective of addressing poverty at grassroots level by dedicating a minimum of 2.5% of the Government ordinary revenue to grassroots development and the reduction of poverty. The fund is managed by the Constituencies Development Fund Board (CDFB)

In January 2013, the CDF Act 2003 (as amended in 2007) was repealed and replaced with CDF Act 2013 that is aligned to the constitution of Kenya 2010.

The enactment of the CDF Act 2015 was mainly aimed to ensure that the law governing CDF is aligned to the Constitution of Kenya 2010, specifically in compliance with the principles of:

- ✓ transparency and accountability,
- ✓ separation of powers; and
- ✓ participation of the people.
- ✓ align the operations of the Fund to the new devolved government structure.
- ✓ Change of name from Constituencies Development Fund (CDF) to National Government Constituencies Development Fund (NG-CDF).

## KEY CHANGES IN THE CDF ACT 2015

- Reduction in size of the CDF Board from eleven to eight members and introduction of a new officer, the Corporation Secretary as secretary to the Board.
- Obviating the role of nominating Bodies in appointment of CDF Board members. Nomination was restricted to competitive recruitment process.
- Separation of roles of the executive vis-à-vis the Legislature.
- Emphasis on the mandatory role of Project Management Committees
- Submission of Project proposals to the Board by the Chairman of the CDFC.
- Change in size of CDFC resulting in reduction of the maximum number of committee members from sixteen (11) to eight (8).
- Change in the mode of appointment of CDFC members.
- Member of parliament made supervisor of projects rather than member of CDFC
- Names of the persons appointed as members of the CDFC to be published in Kenya Gazette after approval by parliament.
