#### d. Climate change mitigation and adaptation activities

The committee decided not to fund tree planting due to poor soil quality, which needed to be tested, adverse weather conditions, and water shortages, which would make the project unsustainable. Instead, they chose to invest in solar energy installations at the school and Police centers. Solar energy is a climate-friendly solution as it reduces reliance on fossil fuels, cutting greenhouse gas emissions. By utilizing renewable energy, the institutions can lower its carbon footprint, promote environmental sustainability, and provide a consistent energy source that aligns with climate change mitigation efforts.

#### e. Funding of JSS Schools

The manager informed members of the report by the Ministry of Education on the funding of Junior Secondary School especially construction of Grade 9 classrooms. The proposed schools requiring funding as per the Ministry of Education are

Date 27<sup>th</sup> November, 2024

Because of competing priorities and the need to fairly distribute the limited resources among the wards in the constituency, the committee decided to allocate funding for the remaining JSS in the next financial year, as outlined in the table below

SCHOOL	GRADE 8/9 ENROLLMENT	CLASSROOMS
WELARI	14	1
QOQAR	10	1
SUKELA JUNIOR	12	1
BILILBURBUR	10	1
	<b>SUBTOTAL</b>	<b>4</b>

**f. Constituency Digital Hubs**

The committee decided not to fund the digital hub project this financial year due to the presence of higher-priority needs that require immediate attention. While recognizing the importance of the digital hub for fostering technological advancement and community development, the committee emphasized the need to allocate resources to more urgent initiatives. However, they have committed to prioritizing the digital hub project in the next financial year

**g. NG-CDFC Office**

The chairman reminded the members of the need to renovate the office. The NG-CDFC offices were built in the year 2010 and to date requires renovation to a modern standard. The proposals to renovate the office was approved having been allocated Kshs 5,000,000 as per the BQ presented by the Fund Account Manager

## 2.0 ABOUT NG-CDF

The National Government Constituencies Development Fund (NG-CDF) was established through the National Government Constituencies Development Fund Act, 2015 with the primary objective of addressing poverty at grassroots level by dedicating a minimum of 2.5 percent of the National Government ordinary revenue to grassroots development and the reduction of poverty. The Fund is managed by the National Government Constituencies Development Fund Board (NG-CDFB). It should be noted that the NGCDF Act 2015 is aligned to the Constitution of Kenya 2010. This was done in order to ensure that it complied with the principles of transparency and accountability, separation of powers; and participation of the people.

### 2.1 *Establishment of the NGCDFC*

The Wajir South Constituency Development Fund Committee is established under the National Government Constituencies Development Fund Act of 2015. The Committee is expected to play the following roles:

1. Allocation of funds to various projects, determining the quantum of installments to various projects in the constituency, taking into account the disbursement received and the requirement of different projects;
2. Submission of a list of constituency based projects to the National Government Constituencies Development Fund Board within the stipulated time;
3. Determination of the allocation of the emergency reserve in accordance with the NGCDF Act, 2015;
4. Making appropriate consultations with the relevant Government departments to ensure that cost estimates for the projects are as realistic as possible; and
5. Ranking the constituency projects in order of priority, among other activities.

#### 2.1.1 **Composition of the NGCDFC**

The Wajir South NG-CDFC consists of:

1. The national government official responsible for co-ordination of National government functions;
2. Two men each nominated and have such qualifications as the Board, by regulations, prescribe, one of whom shall be a youth at the date of appointment;
3. Two women each nominated and have qualifications as the Board, by regulations, prescribe, one of whom shall be a youth at the date of appointment;
4. One person with disability nominated by a registered group representing PWDs in the constituency;
5. Two persons nominated by the constituency office established under Regulations made pursuant to the Parliamentary Service Act;
6. The officer of the Board seconded to the constituency committee by the Board who shall be an ex officio member without a vote;
7. One member co-opted by the Board in accordance with regulations made by the Board.

#### 2.1.2 **Rational for Undertaking Ward Forums**

As has been stipulated in NG-CDF Act 2015, the Wajir South Chairperson of the NG-CDFC, has to convene open forum public meetings all the wards of the constituency to deliberate on development matters. Each Ward prepares a list of priority projects and submits to the NG-CDF for deliberations. The NG-CDF Committees shall deliberate on project proposal from all wards and any other projects which constituency committees considers beneficial to constituency. The constituency committee shall identify the list of priority

projects both immediate and long term, out of which the list of projects to be submitted in accordance with the act shall draw from

### 3.0 CHALLENGES

The challenges in this ward include many mushrooming settlements whose viability cannot be established for now. Many of these settlements have very few households and require all social amenities just like bigger centers. This will mean that projects will be thinly distributed and the impact of those projects will not be felt considering that human needs are unlimited but resources are scarce.

### 4.0 RECCOMENDATIONS

The way out of this challenge is to conduct public sensitization on the need to settle at the bigger centers where social amenities are available and adequate

### 5.0 Conclusion

The National Government Constituency Development Fund Committee (NG-CDFC) should discuss the ward minutes considering the need for equity in sharing of resources between and among the seven wards. Reference should be made to the Constituency Strategic plan, County Development Plans, the National Medium Term and long-term National Development priorities before coming up with the final project priorities. This is just but a guide and it is the prerogative of the NG-CDFC to come up with the final list of projects to be funded.

WAJIR SOUTH NG-CDF,  
P.O BOX 90-70201,  
HABASWEIN.

Dear sir/Madam

RE: REQUEST FOR LABORATORY APPARATUS.

We humbly appreciate the building of the laboratory in our school by Wajir south CDF which we started using last year for the KCSE examination of 2024. The major challenge the school is facing is lack of laboratory apparatus and reagent. Therefore, we humbly request for the attached laboratory apparatus from your esteemed office.

Thank you in advance.

Regards.

Yours faithfully,

THE CHAIRMAN,  
WAJIR SOUTH CONSTITUENY DEVELOPMENT FUND.

Date: 27/1/2025

Dear Sir

**Subject: Request for Provision of Science Laboratory Apparatus and chemicals.**

I hope this letter finds you in good health. I am writing to formally request the provision of essential science laboratory apparatus for Senior Chief Ogle Girls Secondary School located in Habaswein town .The school was established in the year 2004 as a solution for girl child need of education. It's the only boarding girls' school in the vast land of Wajir south constituency. The school has enrollment of 558 students currently.

Senior chief ogle girls has a commitment to providing quality education, particularly in the sciences, where students are encouraged to explore and develop a deeper understanding through practical application. However, due to limited resources, our science department is currently facing significant challenges in obtaining the necessary equipment to conduct practical experiments. The lack of such apparatus has hindered our students' ability to gain hands-on experience, which is vital for their academic and professional development.

We kindly request that the Constituency Development Fund to consider allocating funds for the purchase of essential science apparatus, This will not only support the academic

growth of our students but also help improve the overall standard of education in our constituency.

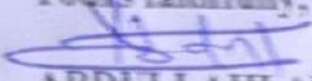

We are confident that with the assistance of the Constituency Development Fund, our school will be able to provide a more comprehensive and effective science education, empowering our students to become skilled and knowledgeable individuals in the future.

Attached is a copy of the list of apparatus required by school for your perusal.

We look forward to your favorable response and remain available should you require any further information.

Thank you for considering our request.

Yours faithfully,
