**MIN 02/017/009/2021 CONFIRMATION OF PREVIOUS MINUTES**

The Secretary read out the minutes of the previous meeting after which the members confirmed as true matters discussed in the previous meeting. Thereafter, the secretary was told to proceed to the next agenda.

**MIN 03/017/009/2020 PROJECT PROPOSAL FOR FINANCIAL YEAR 2021/2022**

The Chairman thanked the members for their punctuality and informed the members that the main business of the day was to discuss and approve the project proposal for the financial year 2021/2022 while using the ward reports that had been generated from the open fora public meetings.

The Fund Manager thereafter drew members' attention to NG-CDF Board Circular reference number NG-CDFB/CEO/BOARD CIRCULARS Vol. II (030) dated 26<sup>th</sup> August 2021 on submission of constituency project proposals for the 2021/2022 financial year which he tabled before the committee for discussion.

The Fund Manager informed the Committee members of the requirement to submit project proposal for the NG-CDF Board's approval in compliance with Sections 24, 25, 26, 27, 28, 29, 30 and 31 of the Act. He urged the members to ensure that the project proposals were prepared based on the outcome of the open forum public meetings and that the proposal considers the provisions of the National Development Plans and Policies as outlined in the vision 2030 – Medium Term III; the Big Four Agenda; the Banissa Constituency Strategic Plan among others. The Fund Manager further advised the members to consider projects that would help address the prevailing challenges posed by the COVID-19 Pandemic.

The members used the criteria below to guide them in approving the projects; -

- Projects in Ward Reports – The members agreed to select projects in the ward reports;
- Equality – The members agreed to ensure that there was equality in resource distribution and that ALL wards are considered;
- Priority – The members agreed that they would prioritize the needs of the community as the needs would always outweigh the resources available;
- Legality – The members also agreed that all projects proposed shall be within the scope of NG-CDF legal framework;
- Cost – in approving the projects the members also agreed to consider reasonability and value for money.

The members agreed to give special consideration to projects that address the development challenges brought about by the COVID-19 pandemic.

After thorough discussion of all the needs and priorities of different institutions, members approved the following projects for submission:
