The FAM thanked the community members for turning up in large numbers. He informed the members that Ng-Cdf is a community kitty and should be used to benefit the community members. He asked the members to help monitor the projects by raising alarms if they suspect mismanagement of funds. He finally asked the members to give priority to the ongoing projects.

1. Comments by Chairman on bursary

The chairman answered the concern of the chief by noting that the public would be involved in bursary allocation and therefore he requested them to appoint 5 committee members who would help in identifying the neediest cases in the community.
