MIN NGCDFC TW 24/2021/2022 ADJUSTMENT OF THE COST OF CONSTRUCTING ONE NEW CLASSROOM TO COMPLETION

The NGCDF carried out a monitoring and evaluation of on going projects in Tigania West July 2021 and one of the recommendation was to relook at the current cost of construction of one new classroom through the advice of the Sub County Work Officer (SCWO).

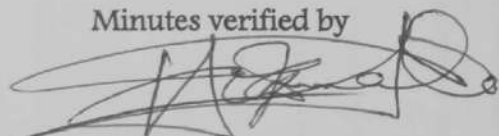

Subsequently, the SCWO carried out the costing of the said classroom and recommended the cost be adjusted upward to sh 1,500,000 (One million five hundred thousand shillings only)

Members discussed this recommendation and resolved to adjust the cost of construction of one classroom to sh 1,400,000 (One million four hundred thousand shillings only). The difference of sh 100,000(One hundred thousand shillings only) was recovered from the administration cost and contingency.

MIN NGCDFC TW 25/2021/2022 AOB

There being no other business, the meeting was adjourned at 6.16 pm with a word of prayer from Solomon Mitheu.
