## REPORT OF PUBLIC FORUM MEETINGS ON PREPARATION 2021/2022 FINANCIAL YEAR NGCDF PROJECT PROPOSALS

### Back ground

The NGCDF Act 27 (1) requires that the chairman of the NG CDFC within the first year of commencement of new parliament and at least once every two years thereafter, convene an open forum public meeting in every ward in the constituency to deliberate on development matters in the ward and the constituency as whole. This is in line with the Constitution which articulates the National values and principle of governance that includes democracy and participation of the people among others.

In this regard the constituency is expected that the project proposals are informed by the ward consultative forum report to be compiled by the Fund manager.

Through the NGCDF Board circular (ref: NG-CDFB/CIRCULARS Vol 11 (030) dated 28<sup>th</sup> August, 2021, the constituency committee was required to conduct the public forum on preparation and submission of constituency project proposals for 2021/2022 financial year.

### Meeting reports

The NGCDF office organized the public forums that were convened by the area chiefs in their respective locations due to Ministry of Health protocols on Covid 19 pandemic and later on 10<sup>th</sup> September 2021 local leaders and ward development committees accompanied by the area chief presented the deliberations of the residents in one forum held in Kanyakine.

The meetings comprised of the NG CDFC, local leaders, Assistant County Commissioner's, Area M.P., chiefs, assistance chiefs, and community members. After deliberation and remarks from the various sectors representative, the following projects were identified for the various wards and respective locations to be consider in Financial Years 2021/2022 and 2022/2023
