**WARD DEVELOPMENT REPORT
FOR
FINANCIAL YEAR 2022/2023 PROJECT PROPOSAL**

SUBMITTED

JANUARY, 2023

INTRODUCTION

The NG-Constituency Development Act 2015 stipulates in part 5 section 27 subsection 1 and 2 that the chairperson of the NG-CDFC shall, within the first year of the commencement of a new Parliament and at least once every two years thereafter, convene open forum public meetings in every ward in the constituency to deliberate on development matters in the ward and in the constituency.

The NG-CDFC shall then deliberate on project proposals from all the wards in the constituency and any other projects which the Constituency Committee considers beneficial to the constituency, including joint projects with other constituencies, consider the national development plans and policies and the constituency strategic development plan, and identify a list of priority projects, both immediate and long term, out of which the list of projects to be submitted in accordance with the Act shall be drawn from.

Citizen participation in project planning, management and implementation planning requires the involvement of concerned stakeholders. This includes identifying public concerns and values and developing a broad consensus on planned initiatives. It is also about utilizing the vast amount of information and knowledge that stakeholders hold to find workable, efficient and sustainable solutions.

Public participation encompasses a range of procedures and methods designed to consult, involve, and inform the public to allow those that would be potentially affected by a decision or policy to have input into the process. Community participation motivates the stakeholders to work together, recognize the benefits of their involvement and own the projects in their localities.

Stakeholders play a central role in setting up priorities and objectives of development Initiatives in order to ensure relevance and appropriateness. It is important that all stakeholders are involved in the development of projects and not just direct beneficiaries of an initiative.

Chairperson .  Secretary;  D.C.C; 

ABOUT NG-CDF

The Constituencies Development Fund (CDF) was established under the Constituencies Development Fund (CDF) Act, 2003, amended in 2007 and repealed by the CDF Act of 2013. In 2015, the CDF Act of 2013 was declared unconstitutional and a new Act was enacted in 2015, being the National Government Constituencies Development Fund Act, NG-CDF Act, 2015. The National Government Constituencies Development Fund (NG-CDF) is under the Ministry of Devolution and Planning.

The Constituency Development Fund (CDF) was introduced in Kenya in 2003 with the passage of the CDF Act 2003 by the 9th Parliament of Kenya which was repealed in 2013 by the CDF Act 2013. The CDF Act provides that the government set aside at least 2.5% of its ordinary revenue for disbursement under the CDF program.

The fund was designed to support constituency-level, grass-root development projects. It was aimed to achieve equitable distribution of development resources across regions and to control imbalances in regional development brought about by partisan politics. It targeted all constituency-level development projects, particularly those aiming to combat poverty at the grassroots and entrench equitable distribution of development.

The objective of the Fund is to provide mechanisms for supplementing implementation of the National Government Development Agenda at the constituency level.

The CDF program has facilitated the putting up of new water systems, health and education facilities in all parts of the country, including remote areas that were usually overlooked during funds allocation in national budgets.

PRELIMINARIES

In every Ward, the NGCDF Chairperson started by Greeting the Participants and read through the programme of the function for the day. He later requested one of the participants to lead with a word of prayer.

COMMENTS BY THE CHAIRPERSON, NG-CDFC

In every meeting, the NG-CDFC Chairperson, Mrs. Secondina Ciangai Rugendo after introducing the NG-CDFC Members to the Public and other invited Guests, thanked the participants and constituents for the overwhelming zeal that they have shown in attending the forum. The Chairperson also thanked the organizers of the function for the commendable job in organizing the success of the forum.

The Chairperson requested the Community Members who may bring proposals and fail to go through, to be patient since still the projects will be considered during the next financial years.

Chairperson  Secretary;  D.C.C; 

REMARKS BY AREA M.P. HON. PATRICK MUNENE

In all the meetings, the Area Member of Parliament greeted the participants/ members present and thanked them for their attendance. The Area MP talked briefly over the management of the NG-CDF funds in the constituency and informed the members of the many development projects undertaken in Chuka Igambangombe Constituency. He cited various projects in the constituency including the infrastructural improvement for schools and security institutions.

Hon. Patrick Munene told the enthusiastic participants that the role of the Member of Parliament was oversight and that he has a crucial role to play in ensuring NG-CDF Chuka Igambangombe Constituency meets the needs and aspirations of the people of this great Chuka Igambangombe Constituency. The MP suggested and prayed that NG-CDF will remain to serve the development needs of the people of Kenya and was optimistic that the constituency allocations will gradually improve over the years.

CHALLENGES

Key Challenge during the ward Forums is the geographical distances places are located from each other and the rough terrains. There is problem in getting quick means of transport to help NG-CDFC members reach various locations and sub-locations in the Constituency.

Constituency Wide or Location Forums will cost the office very high due to logistical challenges and hence the need to restrict the meetings to representatives of the community.

Chairperson Secretary; D.C.C;

WAY FORWARD

Community Members were urged to discuss their problems during community meetings or barazas whenever they meet and send their proposals to the Office for record purposes. The Present Members of the Community were requested to hold sensitization meetings on the feedback of the forums once they arrive home. That is to call community gatherings and inform the people of what transpired at the public forum.

CONCLUSION

The Community Members were informed that Issues raised in this Public Forum will be financed during the Financial Year 2022/2023 and in case of change of idea they will be notified of the changes.

The Community Members were requested to Monitor the activities of the Contractors without interference and ensure that they provide quality services. In Case the community is not satisfied with the nature in which the projects were done, they were requested to notify the office in time.
