Remarks by Leaders

NGCDF Chairman

The chairman thanked the community members who had turned up. He informed the public that in accordance to the constitution of Kenya and NG_CDF Act, it was his duty to convene public meetings to collect views and project proposals. He emphasized that the main focus should be on the following areas namely; Education, Environment and Security.

Fund Account Manager

FAM informed members of the public that it was their obligation to participate in development forums and contribute by airing their needs. She advised them to identify the project they want funded in order of priority and taking into account the ongoing projects and those projects that fall within the National Government Functions.

Member of Parliament

The area MP said that by airing their views, constituents will be able to enjoy the product of development agendas i.e. construction of different schools and institutions which have really encouraged the less fortunate to study in locally available schools comfortably. He also stated that he will employ labor intensive works whereby communities will be trained to perform tasks during the projects execution. He urged members to float their development ideas freely in order to better Manyatta constituency in the best way possible.

The public were informed that the CDF caters for the following categories:

- Bursaries
- Primary School Building Projects
- Secondary School Building Projects
- Security Building Projects including Administrative Offices, Police Posts
- Tertiary School Building Projects
- Government building projects
- Sports
- Environment

Members were asked to present their proposals along the above guidelines.

1. EDUCATION

- Ongoing projects to be given first priority.
- Additional of CBC classes and laboratory and renovation of our primary school classes.

The following projects were proposed;

(a) ST. BENEDICT'S

Recorded By..... Confirmed By..... Endorsed By.....

**FUND ACCOUNTS MANAGER

.....

CHALLENGES

- The public does not differentiate county projects, National Government projects and Member of County Assembly projects.
- Youths complained that they have been left out and are jobless.
- Members of the public were expecting some allowances which is not catered for.
- The projects proposed were also too many compared to the funds available.

WAY FORWARD

- The MP promised to write a letter to the governor highlighting the projects that concern the county government. The locals should get in touch with the MCA for the local projects.
- The Chairman informed members that projects will be categorized in order of priority and ongoing projects will be completed before focusing on the suggested projects.
- Hon. Mukunji has opened a resource centre which will be operational early next year. This will be a job centre for the youths. Cvs will be collected and it will link the job-seekers with prospective employers.
- That he will work hand in hand with the recruitment officers during the police/Army/Forces recruitment to ensure free and fair exercise.

- Many youths in this ward have completed school and the parents are unable to pay for their further education.

WAY FORWARD

- Those projects that are fall under the County shall be combined and forwarded to the Governor for action.
- The local administration will team up and get a court order to ensure that they work within the hours stipulated and that they stop selling illicit brews.
- The MP will offer sponsorship to a hundred youths at Manyatta Technical Training Institute. He has procured a hundred computers for the institute.
- Chiefs and Assistant chiefs will be required to create a comprehensive database to ensure that all the elderly are captured to avoid some missing out during the Inua Jamii funds distribution. The chiefs were also mandated to create another database for the orphans. This will be helpful during the bursary award distribution which will be done in an open forum. The online bursary application for universities, colleges and TVETs is ongoing.

- Teachers' toilets and learners' toilets
- Leveling the school compound.

(j) KIMANGARU PRIMARY

- Classrooms Renovations.
- Toilets for boys & Girls & staffs

(k) KAMIU PRIMARY

- Classrooms Renovations
- Toilets for staffs

2. ENVIRONMENT

- Digging of terraces to control the running water from **Gatituri** Primary school's building during the rainy season. Terraces will greatly reduce land degradation.
- Electricity installation in **Karwagi**. The open road from **Karwagi** to **Kiamuringa** needs a bridge to join the two
- Water tank & gutters at **Iveche** Primary School.
- The road from **Kimangaru** towards **Ithata** near Gregory needs murrum and the bridge needs repair. Part of **Ithata**, especially the lower side needs electricity installation. The path towards **Jane's** place needs to be opened and murramed.
- **Ithata A** and **B** villagers need lease certificate
- There is need for a police post at **Kimangaru** and also renovate the borehole

3. SECURITY

- Construction of a modern toilet at **Kiangima**, assistant chief's office. The existing one is in a dilapidated state. The same office requires fence and a gate, office furniture and electrification.
- **Gatunduri** Police post require toilets and six houses renovations for the police. The police post should be fenced and it was also felt that if the adjacent plot can be purchased for expansion of the police post, it would be very good.
- Assistant chief's office, **Gatituri** should be furnished, Armory to be enlarged at **Gatituri** Police Post
- Chief's office **Mbeti North** should be renovated, fencing of the camp and an armory should be put up. The title deed of that land housing the chief's office should be processed.
- Chief's office **Itabua** location at **Kambo** where the assistant chief's office is situated. They also seek for completion of Police post, Piped water, fencing and a gate.
- **Gatondo** sub-location is seeking assistance to buy land & office construction.
- Street lights should be installed at the junction near **Muchina** tank. **Ithata A** and **B** need a borehole (solar).
- Street lights should be installed at **Iveche** **Gatituri** Junction Road, & **Gakinduriri** Market.. **Ithata A** and **B** need a borehole (solar).
- Electricity Installation in **Kimangaru** Area

Remarks by Leaders

NGCDF Chairman

The chairman thanked the community members who had turned up. He informed the public that in accordance to the constitution of Kenya, it was his duty to convene public meetings to collect views and project proposals. He emphasized that the main focus should be on the following areas namely; Education, Environment and Security.

Fund Account Manager

FAM informed members of the public that it was their obligation to participate in development forums and contribute by airing their needs. She advised them to identify the project they want funded in order of priority.

Deputy County Commissioner (Embu North)

The DCC echoed the President’s directive on the planting of trees and emphasized on the importance of that exercise. He then warned those operating bars to be wary of the operating hours. He promised to work hand in hand with the area administration to curb the use of illicit brews.

Member of Parliament

The area MP thanked members for the commitment they exhibit when they have been called to deliberate on various projects being supported through NG-CDF. He emphasized that the issue of bursaries will be done with a lot of transparency and that no needy student will be left out.

He urged members to float their development ideas freely in order to better Manyatta constituency in the best way possible.

The public were informed that the CDF caters for the following categories:

- Bursaries
- Primary School Building Projects
- Secondary School Building Projects
- Security Building Projects including Administrative Offices, Police Posts
- Tertiary School Building Projects
- Government building projects
- Sports
- Environment
