**MIN.09/19/11/2018:CONDITIONAL APPROVAL TO ENVIRONMENTAL ACTIVITIES FY 2017/18:**

The FAM informed the members that all the funding for the FY 2017/2018 projects had been received except for environmental activities Kshs.1,736,206.90 - purchase and planting of tree seedlings at various institutions which had been given conditional approval. In this regard, members were informed that they were supposed to provide a breakdown on how the funds would be spent towards planting of trees in the various institutions.
