MIN. 03: 20/09/2021 – Approval and Submission of Proposal for Financial Year 2021/2022

Project Implementation Criteria for NG-CDF Mwingi Central

1. In the current financial year 2021/2022, the policy of NG-CDFC is to prioritize renovation of existing classrooms/other facilities to completion and completion of facilities started by the community and/or NG-CDF. Therefore, majority of the projects are renovations and completions.
2. Condition of disrepair of existing facilities are not similar, therefore, the cost of renovations may vary from one school to another same case with the completion of the other facilities.
3. As an innovation and in order to reduce costs delivery of projects on time, the NG-CDFC has also adopted labour based contracts in all the projects where the PMC buys materials and tenders for labour services only. Therefore, the amount allocated is adequate for the project.

After thorough evaluation of proposals received and deliberation on submission of the projects budget proposal for 2021/2022 financial year, the committee resolved to approve the budget as tabulated below:
