## MWINGI CENTRAL CONSTITUENCY

### WARD REPORT

#### 0.0 Background

##### 0.1 About NG-CDF

The Constituencies Development Fund was created by the Constituencies Development Fund Act, 2003 with the primary objective of addressing poverty at grassroots level by dedicating a minimum of 2.5% of the Government ordinary revenue to grassroots development and the reduction of poverty. The fund is managed by the National Constituencies Development Fund Board .

In 2015 , the CDF Act 2013 was repealed and replaced with NGCDF Act 2015 that is aligned to constitution of Kenya 2010. The enactment of the NGCDF Act 2015 was mainly aimed to ensure that the law governing CDF is aligned to the Constitution of Kenya 2010, specifically in compliance with the principles of;

- Transparency and accountability
- Separation of power and
- Participation of the people
- The new law was also aimed to align the operations of the Fund to the new devolved government structure.
