Members unanimously resolve to adopt the remeasured works and its costs as the actual funds to be allocated this financial year.

MIN NO. 006/08th Jan, 2024; APPROVAL OF FY 2023/24 PROJECTS PROPOSAL.

FAM through his contribution, informed the committee members that the 2023/24 Project proposal had been finalized, late last year December 2023, but with the latest development as directed by the NG CDFB/NG CDF CIRCULARS/VOL II (035) dated 04th January, 2024, referenced: RE-ALIGNMENT OF CONSTITUENCIES PROJECTS PROPOSAL FOR 2023/24 FINANCIAL YEAR with NG CDF(Amendment) Act 2023.

Among the notable changes highlighted by the Manager to the committees are as follows;

- Constituency Oversight Committee members repealed (Out)
- Constituency Sports as a project repealed (out)
- Constituency Environment Projects substituted with Climate change mitigation Activities with a ceiling of 5%
- Bursary Fund ceiling up to 40%. Activities to be included are School Social programs that will be guided by Board guidelines and circular.
- Constituency Digital Hubs-ICT hubs to be allocated a ceiling of 3% to include the operational cost and recurrent for the Constituency Digital Hubs-ICT Hubs.

FAM informed members further that the Several renovations request have been put forward by Primary and & JSS Schools in order to meet the shortages of classrooms.

I) Classrooms Infrastructure

Mr. Julius Mwangangi through his contribution requested members to forego Secondary schools project proposals in 2034/24 financial year, due to the looming shortages of classrooms in JSS Schools. Further, Secondary Schools still have two years to prepare for Senior Secondary Schools. He further, asked members to consider renovation rather than constructions since many schools have many existing classrooms that require renovation and can be availed for occupation within short time.

II) Revision Text Books for Primary and Secondary Schools

Madam Berita Mutie Muthike noted that several interventions over the years have been put by committee in addressing performance in both KCPE and KCSE in Kangundo. She noted that despite that the constituency still remains at the bottom as compared to other 7 constituencies in Machakos county. She implored on members to effect the advice and recommendations by the Schools head teachers during the past meetings that other support like Past examinations, Revision books, Education day and school feeding programs be considered. She asked members to set aside some

funds in this financial year to fund Revision text books for both primary and secondary schools to supplement the Ministry of Education books.

III) Junior Secondary School Laboratory Equipment

Through the contribution of Madam Mary Ngila, members were asked to further support the JSS School through purchasing and supplying of Laboratory Equipment. She noted that many of JSS School students only learn science subjects through theory as opposed to doing practicals. She noted that it is not about the Laboratory as a structure, but the most important is the equipment and how to use those equipment. For example, she wondered how Chemistry subject is taught in classrooms without the equipment being present and students doing it practically.
