MINUTES OF OLKALOU NG-CDFC MEETING HELD ON  
June 20<sup>th</sup> 2022 AT OLKALOU CDF BOARDROOM.

PRESENT.

- SIMON NDUATI KARIUKI -Chairman
- JOHN KARIUKI KIMANI -Secretary
- PAUL KAMAU WANJIRU
- TERESA NGIMA
- SUSAN WACERA THUKU
- JOYCE NJERI KARUGA
- SAMUEL MACHARIA KANYI
- HANNAH WANJIKU GIATHI
- LUDOVICK NGERA - Fund Manager

PLERIMINARIES.

The chairman called the meeting to order at 11.30am and requested Susan Wacera to lead in a word of prayer.

AGENDA

- Form one bursary
- Re-Allocations
- Payments

Min6/06/2022-For one bursary

Min7/06/2022-Re-allocation of funds

The meeting was reminded of an allocation of ksh.500,000= in 2015/2016 financial year for audit fee which had not been utilized. The fund manager informed the meeting that the Ng-Cdf Board had advised the ngcdfc to re-allocate the funds to another project. After some discussions, members saw the need to construct a two door pit latrine to be used by youth using who attend trainings at the CIH based in office block. The fund manager was requested to forward the proposal to the board for approval.

There being no any other business the meeting ended at 3.20 pm with a word of prayer by Teresa Ngima.

**PUBLIC PARTICIPATION MEETING IN KANJUIRI WARD – OL'KALOU  
CONSTITUENCY – NYANDARUA COUNTY**

**WARD: KANJUIRI**

**DIVISION: TUMAINI SUB COUNTY**

**VENUE: WANJURA ORTHODOX CHURCH GROUNDS**

**DATE: 6<sup>TH</sup> SEPTEMBER, 2022**

The meeting was called to order by Charles Chuaga who invited Rev. Francis Njuguna who opened the meeting with a word of prayer. The area chief then gave his opening remarks reminding residents the importance of public participation when it comes to development. He also reminded the residents to keep the Covid-19 protocols by the ministry of health in place.

The NG-CDF chairman Mr. Simon Nduati took over and gave guidelines on who the public participation will be conducted. He reminded members present the two-tier levels of government (National Government and County Government) which carry out specified functions. NG-CDF being a national government devolved function carries out the following function:

- Education – issuance of bursary  
- Infrastructural development
- Security – administration office construction

Among other functions carried out by the national government is

- Classified roads under KeRRA, KeNHA and KURA

- Boreholes, dams and water pans
- Electricity
- Other functions that the national government may fund.
- NG-CDF Project manager then requested members to split into groups of the areas they reside from for ease of discussion of the various projects they want undertaken in the specific area. It was agreed that every area has different projects differing from the other; each group to have a secretary who will write the projects and latter present them to the committee.

After deliberations from the sub groups from various areas in Tumaini Division the following was agreed upon: -

### **WANJURA AND UHURU AREA**

Representative: Joseph Kariuki – 0713410486

#### **Electricity:**

- Wanjura Orthodox area - **transformer** to be place near the church which will serve the church and its environs
- Ujamaa Village - an existing transformer that currently. If **maximized** it will serve a bigger population in the area.
- Wanyororo Village – the project is ongoing as poles have been erected and electric wire strained but **no transformer**
- Lower Uhuru – **maximization** on an existing transformer should be done,
- Rural Area – transformer to be paced at IDP camp area which will serve the area.
- Ng'ambi's Area (near Kahingu)– transformer to be placed at Ngambi's to serve the entire area.

#### **Education:**

- ✓ Wanjura Primary School –
  - construction of a classroom.
  - facelift of the entire school classroom and administration block.
- ✓ Kahigu Primary School

– construction of a classroom as there is a classroom with iron sheet walls; a permanent classroom is required.

- ✓ Bursary – the allocation should be increased to serve more people as the issuance is open, transparent and has benefitted so many families.

#### **Security:**

- Assistant Chief Office – at Uhuru Centre assistant chiefs office should be constructed at the public land where there is the Uhuru Borehole. This will bring service closer to the people of the sub location.

#### **Other issues:**

- ❖ The youths requested that once tenders is awarded to projects within the area the contractor should consider working with the locals.

#### **GATHUNDIA**

GeofreyRiba – 0701032129

#### **Electricity:**

- The following areas requires transformer as there is no electricity in this area:
  - New Light Academy Area
  - Guba (near Kwa Wainaina) area
  - Tumaini Secondary School area
  - Kamau waCiringi area

#### **Education:**

- ❖ Tumaini Secondary School:
  - the land should be subdivided to create room for construction of a primary school which should have the name Gathundia Primary School.
  - due to the 100% transition from primary school to secondary school by the government the infructure in the school should be improved to cater for double streams from the current single stream.

- the hall under construction which is a two-storey building in the school to be completed which will create room for laboratory on the first floor.
- facelift of the entire school which requires plastering, flooring and painting.
- ❖ Tumaini Primary School:
  - completion of the school dormitory
  - facelift of the entire school and renovation of some classrooms
  - school bus to have a clear plan on how it should run.
- ❖ Polytechnic to be constructed which in the long run will offer technical courses therefore youths will have technical skills which they will use as way of earning income.
- ❖ Bursary allocation should be increased to have more students benefiting from the kitty.

#### **Security:**

- ✓ Chiefs' office at Tumaini needs facelift and electrification as the one that had been constructed earlier is currently being utilised by the ACC.
- ✓ Assistant Chief's Office can be constructed in the public land that was previously used as the cattle dip.

#### **Water and Drainage:**

- Kahia Water Project and Uhuru Water Project has not benefited residents of Tumaini Trading Centre because of individuals claiming that the project belongs to them therefore the area member of parliament Hon. David Kiaraho should intervene.
- Naomi Dam (Guba) should be desilted so that it can be used as a source of water as dams previously used were in private land.
- The ongoing GwaKiongo Dam project can also be used as a source of water for the residents of Tumaini Centre and its environs.
- The drainage system in the town should be done as liquid waste from business premises remains stagnant in most section of the town.

#### **Other issues:**

- ✚ Multi-purpose hall should be constructed the ACC's Office that will be used by the public during meetings.
- ✚ Contractor on the Tumaini – GwaKiongo – Kabazi Road should employ locals in the manual works during the road construction process.
- ✚ Tumaini Trading Centre requires land to be used as a market place and also as matatu stage. Currently residents sell their goods along the tarmac as well as vehicles carrying passengers along the tarmac.

## **MURINDATI**

Geoffrey Mwangi – 0728897244

Murindati area covers a vast area of Kagunda, Plot 11, Base and Murindati.

### **Electricity:**

- ❖ The following areas requires electricity by installation of transformers: -
  - Gitau waNjogu area
  - Gwa Projector area
  - Ha Muguya Area
  - ChegewaKuhunya area
  - GwaKahinyia
  - Gwa Chief
  - Karanja wa Ndume area
  - Jesinta Waithera area
  - Wainaina Moses area

### **Education:**

- ✓ Plot 11 Primary School which was started by the area member of parliament requires more land for the expansion of the school, more classrooms and toilets for the growing population.
- ✓ Murindati Primary School playing field requires levelling and the entire facelift and renovation on the school buildings.
- ✓ Bursary allocation to be increased so that more parents (students in school) to benefit as the issuance of the NG-CDF bursary is

transparent and has benefited so many families across the constituency.

### **Security:**

- To bring service closer to the people assistant chief's office should be constructed at Plot 11 area.
- The area chief at Kagunda has no police officers even though there was office and police houses previously constructed in the area and currently not in use as the police officers were withdrawn from the area.

### **Kihoto:**

This area covers between Sairinga and Tumaini Primary School which have three areas being Kiambururu A & B and Sairinga Areas. These areas have a high population because of the influx of IDPs in 2007.

### **Electricity:**

- Kiambururu A and B

Patrick Karanja – 0723442601

- Transformer currently in place is serving few people but if moved to Good Shepherd Academy area it will serve the current number of households and cover other homesteads in the area. The transformer was installed but has not been connected to the power grid.
- Four transformers are required to cover the following area for 100% connectivity to be achieved in the area:
  - Mama Kiburi area
  - Wambugu wa NYS area
  - Tenga area
  - Ha Wambishi Area (pole holes has been done but no poles)
  - Mkanithaini area

- Sairinga

Michael Wanjohi -

- To have 100% coverage of the area three transformers is required in the following areas:
  - Sairinga Trading Centre
  - Near Full Gospel Church
  - Kwa Ndichu area

### **Education:**

Charles Mwangi – 0795010546 (BOM Chairman Kihoto Primary School)

- ❖ Kihoto Secondary School – due to the increase of population in the school and change of weather pattern a dining hall and modern kitchen should be constructed.
- ❖ Kihoto Primary School
  - the school has had an influx of student thus the need of more toilets in the school. Extra toilets should be constructed for both genders in the school.
  - the roof in the school in some of the classrooms should be replaced as the are leaking during the rainy seasons.
  - renovation and facelift of the classrooms should be done.
  - the school playing ground was previously used as school farm therefore requires levelling of the field.
  - one classroom should be constructed.
- ❖ Kihoto Nursery School which was started by Hon. David Kiaraho requires two classes to be constructed that will cater for students in lower primary school who walk long distances.
- ❖ Bursary allocation should be increased to cater for more parents as well as amount allocation per student in boarding and tertiary institutions.
- ❖ Residents of Kiambururu requested a primary school to be started in the area.

### **Security:**

- Assistant chief's office should be completed and toilet to be constructed as there is none at the moment.

### **Water:**

- ✦ Kiambururu Borehole Water Project requires a solar pump. Land can also be purchased in an area that is higher and water tank constructed that will supply water through gravity.

**Other issues:**

Julius Njogu – 0713795407

John Thuku - 0717308445

- ✓ Residents requested due to the distance from other health facilities a dispensary should be constructed in the area.
- ✓ Murindati residents requested for a representative in the NG-CDF committee as at times there is no follow of information in the area.
- ✓ The value for purchasing the Tumaini Market land even though the Ward Administrator said the sell value was high the residents requested for a Public Private Partnership program that will see to it that land is bought for both Tumaini Stage and Market.
- ✓ Drug abuse especially in Sairinga is on the raise therefore the area member of parliament should request the administration officers to take charge.
- ✓ Colonial villages in the area have never received title deeds therefore the area member of parliament should fast track as earlier promised by the president.
- ✓ The youths requested for Youth empowerment projects to be started by having youths training in technical courses that will enable them to be self-employed.
- ✓ Tumaini Health Centre – the facility was constructed using CDF funds but its currently underutilised therefore the area member of parliament should request the county government to complete the maternity wing as well as equip the health centre with both humanresources and the required equipment.

**PUBLIC PARTICIPATION MEETING IN KANJUIRI WARD – OL'KALOU  
CONSTITUENCY – NYANDARUA COUNTY**

**WARD: KANJUIRI**

A handwritten signature in blue ink, appearing to be 'H. M.', written diagonally across the page.

The meeting was called to order by Mr. Thambo who invited Pastor Thomas Gathithi to open the meeting with a word of prayer.

The area Senior Chief Mburu welcomed the residents and requested them to maintain the covid-19 protocols as stated by the ministry of health. He also requested that due to the depilating situation on the Ithangani – Ngorika – Kanjuiri – Kanyiriri road should be transferred from the county government to national government which has really neglected the road.

The area chief also added that the demand of covid-19 vaccine is on the raise thus should be made available. A day school should be started within Ngorika area as Ngorika Secondary School was elevated to County School. Kio Water Project requires pipes that will spread water to most areas.

Every area was requested to have representative to air their views on matters development as follows:

**Rutara location:**

James Mathenge – 0721475695

been done.

- Githioro area

**Electricity:**

• Transformer is required in the following areas:

- Central area
- Kiriko area
- Kanjau area
- Baraka Farm

area

- Gathima (Dam site) area which survey as already

**Education:**

- Rutara Secondary School – residents requested for the construction of laboratory and one classroom. They also requested for chairs and lockers for the high population in the school.
- Duthua Village residents requested for a school to be constructed in the area around Wakibunyi area as children from the area are forced to walk for several kilometres to access the available school.
- Bursary allocation to be increased to cater for more needy cases in the community as its currently the most effective bursary in the entire county.

#### **Security:**

- Rutara Chiefs Office – residents requested for the construction of a modern office as the current one was previously used as a shop and also the land that the office is constructed requires title deed thus the CDF should help in processing of the title deed.

#### **Other issues:**

- ✦ Mr. Gachomba a resident of Rutara Dam area who have been on public land from 1976 should be compensated with an optional piece of land as much as he has been living on public land.

#### **Nyaituga location:**

Nelson Ng'ang'a – 0721887272

#### **Education:**

- Nyaituga Secondary School – the residents were happy with the construction of a science laboratory in the school. They requested for equipping of the laboratory with the required equipment's and also provide the school administration with office furniture:
- Nyaituga Primary School – facelift of the school infrastructure was the main concern of the residents.

#### **Electricity:**

- ❖ There are several transformers in the area either serving one person of a few individuals thus residents requested if maximisation can be done to the transformers more homesteads will be connected to the power grid. These areas are:

- Maina Opiyo area (Dam area)

- St. Mary Catholic Church area (NB. Pegging was done)
- Matopeni (Nyaituga) area
- Nyaituga Trading Centre area
- ❖ There area that requires transformers like:
  - Nyaituga North area
  - Mutitu area
  - Joel Njoroge area

#### **Security:**

#### **Electricity:**

- Transformer to be install at Gatamaiyo area which will serve the residents and its environs.

#### **Education:**

- Wiyumiririe Primary School – residents are grateful for the works done in the school previously but requested for the construction of a toilet block. They also requested for facelift of the school infrastructure.
- Levelling of the playing field to be done as its used by students of Wiyumiririe Primary School and the area youths for sporting activities.

#### **Ngorika Location:**

Francis Maina – 0721 600 915

- Ithagani – NgorikaWiyumiririe – Nyaituga – Kanyiriri Road to be upgraded to national government road that will allow the road to be upgraded bitumen standard.

- Ngorika Secondary School is the only secondary school in Ngorika Location and the school was upgraded by the government to County School status therefore its currently admitting students not only from Ngorika but the entire Nyandarua County therefore students are walking far to get secondary education. This has led to students from Ngorika walking long distances to look for secondary education from neighbouring constituency. Land should be purchased within Ngorika location and a Secondary School constructed.
- Ciira Primary School – the school is in possession of huge acreage and the primary school section is willing to give part of the land for secondary to be constructed.
- Harambee Primary School – the school requires expansion of the land that the school is currently constructed which is  $\frac{1}{2}$  an acre land. The land will provide space for more classroom's construction, administration block as well as playing grounds for students.

### **Security:**

Jane Murage – 0714 497 672

- ❖ During emergency insecurity issues Ngorika Police officers responds late to distress calls form the residents because they don't have a standby means of transport therefore a police patrol vehicle should be sourced from the relevant ministry.
- ❖ Shamuka residents' requests for a police post that will go along way to enhance security in the area.
- ❖ Residents requested that one of the major causes of insecurity in the area is lack of mobile phone network coverage which is poor

or none at all therefore Safaricom and Airtel should be requested to enhance network coverage in the areas of Shamuka, Kunyotoka and part of Kio.

- ❖ Shamuka Village – Water is a major problem in the area therefore residents requested that a borehole should be drilled in the area.

### **Electricity:**

Virginia Wanjiru – 0720 006 676

- ✚ The following area requires transformers
  - Kio Farm – (Milimani Area)
  - Lanet
  - Gakuyo
  - Kinyanjui Plots area
- ✚ Kiringa area electrification project is ongoing but there has been delay in installation of meters.
- ✚ Security light (mulikamwizi) to be erected at the stage as it the point that residents alight mostly at night and it's the picking point for bodaboda.
- ✚ The following area in Ngorika either requires transformers or maximization on existing transformers as indicated below:
  - Dairy area
  - Kunyotoka – Transformer
  - Shamuka – Transformer
  - Ndothua – Transformer
  - Shakora – Poles erected but no line and transformer

**Kanjuiri Location:**

Githuthua Joseph – 0721 779 063

**Electricity: -**

- ❖ Electrification in the area was divided into two categories; category one being the areas without electricity and requires transformers while category two are areas with transformers but serving either one person or a few therefore maximization should be done to have 100% connection in the area within the 600 KPLC recommended radius. The categories are as follows:

**Category one –**

- Mwenda-adu area
- Bunga area
- Mbomo area
- Kanjuiri Centre area
- Ha Muchori area
- Githiururi area

**Category Two – Transformer is installed but not maximized**

- ✓ Bata area– Contractor is undertaking maximization but the project unfinished to date.
- ✓ Githima Primary School – there is a transformer that requires maximization.
- ✓ Kagathia Primary School – Golden area (Ha Wanjohi) – Maximization of the transformer.
- ✓ Major Gikonyo – Maximization of the transformer.
- ✓ Milimani Primary Primary– Maximization of the transformer.

Three handwritten signatures in blue ink are located at the bottom of the page. The first signature on the left is a stylized, cursive signature. The middle signature is more legible, appearing to be 'Joseph Githuthua'. The third signature on the right is another stylized, cursive signature.

- ✓ Githioro area – the project is complete but meter (token) is required.

**Category Three** –areas that requires transformers

- Kihungi area survey works has been done and wayleave has been signed by residents.
- Nichodemus (Githimaini) area
- Ha Samuel (Kagathia) area
- Ha Wairegi (Kagathia) area
- NyumbaNini (Roganja) area
- Karebe area
- Kwa Njau area
- Keroka (Kisii) area
- Kwa Ngari area
- Kwa Mumbi area
- Ha Wakaguchu area
- Ha Standi area
- Ha Wainaina (Kirathimo) area

**Education: -**

- Kanjuiri Secondary – due to 100% transition from primary school to secondary school two extra classrooms is requires.

  - Two classrooms to be constructed.
  - Road from Kanjuiri town to the school required grading and gravelling.

**Security: -**

- Administration police post offers security to the entire Kanjuiri Location but they have a major challenge with water therefore they require water tank, also the fencing of the land that houses the officers and improvement of the police officers' houses.
- Chiefs Office is complete but requires funds for purchasing office furniture.
- Assistant Chief's Office at Kagaa in Kagathia – residents requested for funds for the completion of toilet and purchase of furniture.
- Kanjuiri Assistant Chief has no office therefore funds should be availed for buying land and construct the office at Mugumo Kiosks.

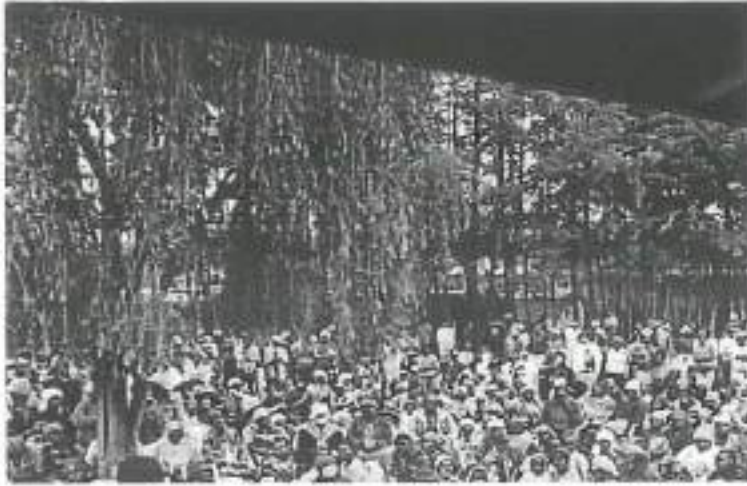

**Other issues: -**

- There is a natural spring that can be used as alternative water means by constructing a reservoir and water tank.
- Ithigani – Kanyiriri Road to be upgraded to bitmen standard.
- Muhu Farm which was given to the IDPs to date no beneficiary has a title deed that can enable them to construct permanent house. Residents requested that a follow up on the fate of land to be addressed.
