NAIROBIDear *Hon. George,***NDARAGWA CONSTITUENCY MATCHING PROGRAM FOR FY 2023/2024**

Reference is made to your letter dated 17th August, 2023, wherein you expressed your interest in collaborating with the Rural Electrification and Renewable Energy Corporation (REREC) to provide electricity to selected areas in Ndaragwa Constituency.

We are pleased to inform you that, as part of our program, REREC offers a matching fund scheme, wherein every shilling contributed by stakeholders is matched by REREC, up to a maximum of Ksh.5 million per Constituency. This matching fund scheme operates on a first-come, first-served basis. Considering your proposal, we are interested in collaborating with you and matching your contribution with Ksh.5 million resulting in a total allocation of Ksh.15 million, subject to the availability of funds. These funds will be dedicated to implementing prioritized projects whose budgetary estimates will be determined after a site visit.

For your convenience and to fast-track the process, we request that you remit the funds to the account below:

Account Name: Rural Electrification and Renewable Energy Corporation
Bank: KCB
Branch: Milimani
Account No: 1103201808

Once you have remitted the funds to the aforementioned account, we kindly recommend that you notify REREC in writing to ensure smooth follow-up and proper documentation.

We appreciate your continuous interest in partnering with us to bring electricity to rural areas in Kenya.

Yours

Sincerely,

CPA Peter K. Mbugua
