- Scredding of the old people's houses to prevent jiggers and other opportunistic diseases caused by dust

#### Challenges

- a) Some community members were giving irreverent projects that are not community based. This showed that they were not well enlightened on the areas
- b) Members were really concerned on the roads of the area.
- c) They thanked the MP on the connectivity that was going on but noted that there were some areas that were not connected

#### Way forward

It was upon the CDFC members to decide which among the proposed project would be prioritized.
