PATRON

The Member of Parliament thanked the public for availing themselves for the meeting and encouraged them to participate fully in proposing projects within the community.

He noted that environmental impact assessment of Ndaragwa forest was being done and requested the members to participate fully since there was need to de-gazette the forest to allow expansion of the town.

He also noted that there were some concerns of the road network in the area and some proposals had been sent to the national government for tarmacking of some and improvement of others through grading and putting marrum
