# REPORT OF WARDS PUBLIC FORUM MEETINGS ON PREPARATION 2021/2022 FINANCIAL YEAR NG-CDF PROJECT PROPOSALS

## Back ground

The NGCDF Act 27 (1) requires that the chairman of the NG CDFC within the first year of commencement of new parliament and at least once every two years thereafter, convene an open forum public meeting in every ward in the constituency to deliberate on development matters in the ward and the constituency as whole. This is in line with the Constitution which articulates the National values and principle of governance that includes democracy and participation of the people among others.

In this regard the constituency is expected that the project proposals are informed by the ward consultative forum report to be compiled by the Fund manager.
