2.2.7 Challenges

Due to the proximity of each other, the two wards were noted to share same challenges . this includes,

- So Many projects which were proposed by members present.
- Water shortages
- Dilapidated primary and secondary funds
- Inadequate funding from CDF board.

2.2.8 way forward

It was agreed that as way forward,

1. the projects given to be given priorities by the NG-CDF kandara. The committee to identify specific projects according to schools projects, water projects, Infrastructure, health and security respectively.
2. The Member of parliament was requested to lobby for more funds/donors to help complete other projects which the CDF will not be able to fund.
3. Regular consultation forums such as this so that people are able to tell their leaders their more needy projects/areas to be addressed.

2.3.0 KANDARA CONSTITUENCY DEVELOPMENT COMMITTEE ITHIRU AND RUCHU WARD MEETING

2.3.1 The meeting was held on 3rd November 2016 at Kandara CDF Hall 11;00am. The members present were Area MP, Kandara CDFC, Area MCAs, Sub-County Commissioner, Chiefs and Assistant Chiefs, Departmental heads and the members of the public.

Mr. Joseph Mwangi, the Chief Githumu Ward graced the occasion.

2.3.2 Comments by Fund Accounts Manager

Cooperation between Government departments/ technical officers is always enhanced for example works officer, procurement officer, roads officer, district water officer e.t.c this technocrats are responsible for bills of quantities, drawings and designs, advising on laws and regulations, supervision.

He advised the project management committee should always liaise with the said departments in writing project proposals and in the process of implementation of the projects.

He urged that proper financial accounting, procedure and regulations are practiced in the projects undertaken by CDF. Also the CDF Act, 2003 is what guides the composition and operations of the CDF.

2.3.3 Comments by Ithiru MCA

He appreciated the forum and assured his commitment working together with the area M.P and the CDF committee

As the chairman of finance committee in the county govt, he advocated for integrity in usage of govt funds

He assured even public participation in the county govt in matters of budgets and fiscal plans would be encouraged so as to engage in all the stake holders.

2.3.4 Comments by Deputy county commissioner

He urged the members to be also vigilant in the process of implementation of the projects in their area and to be part and parcel in the ownership of the projects as these are public projects and also they are meant to benefit the public

Mr. Sese thanked all the members present and for their participation for their well being. He insisted that the constitution had given public participation a very pivotal role in the country as the public are have a mandate in the developments and enactment of policies and bills.

He noted that in developed countries public participation is the mandate of each public and this is a foot forward in achieving our country's democracy goals and towards vision 2030.

He encouraged the members present to come up in numbers wherever there is such meetings and also in public barazas in their areas.

2.3.5 Comments by Area M.P

She assured her commitment in ensuring key sectors are addressed such as water , education, roads and security as presented by members present

Also she assured her commitment working together with county government to ensure projects are not double funded and instead planning well to make sure projects are funded for mutual benefit of the common mwananchi.

She however warned that any one who will dare misuse public funds be it a government officer, a contactor, an employee or the PMC tht she will not be party to such and no mercy would be shown to him/her and they will have to carry their own cross.

She thanked all the members present and for their active participation. She noted with a lot of concern the huge number of projects presented and urged for patience as they are implemented with priority base.

She committed herself to lobby as much support as possible from other gorverment ministries and departments and even donors to support in the funding of projects in the constituency.

2.3.6 projects priorities

The two wards representatives were separated into two groups of members representing the two wards so that they discuss their ward projects.

After a lenghy discussion, each ward came up with a list of its priority projects which were forwarded to CDFC for consideration.

Proposed AP Camp	
1. Githuya AP post	

2.3.7 Challenges

The following challenges were agreed to be present in the two wards,

- Inadequate funding from CDF board.
- Many projects which were proposed by members present.
- Water shortages
- Dilapidated primary and secondary funds
- Inadequate infrastructure in roads, security camps and education facilities.

2.3.8 way forward

It was agreed that as way forward,

1. The Member of parliament was requested to lobby for more funds/donors to help complete other projects which the CDF will not be able to fund.
2. the projects presented to be given priorities by the CDF kandara. The committee to identify specific projects according to schools projects, water projects, Infrastructure, health and security respectively.
3. Regular consultation forums such as this so that people are able to tell their leaders their more needy projects/areas to be addressed.
4. Frequent consultation between county and national government so as to give public more value for their money.

2.4.0 KANDARA CONSTITUENCY DEVELOPMENT COMMITTEE I MURUKA and NGARARIA WARD MEETING

2.4.1 The meeting was held on 4th November 2016 at Muruka Chiefs Camp. It was attended by Area M.p , Muruka and Ngararia Mcas, Deputy county commissioner, Kandara sub county, CDFC Kandara, departmental heads, Area Chiefs, assistant chiefs, and members of the public.

The meeting was graced by David mwangi ,Senior chief ngararia.

2.4.2 Comments by Fund Accounts Manager

Referring to CDF Act 2003, part 6, he said Cooperation between Government departments/ technical officers is always enhanced for example works officer, procurement officer, roads officer, distict water officer e.t.c this technocrats are responsible for bills of quantities, drawings and designs, advising on laws and regulations, supervision.

He advised the project management committee should always liase with the said departments in writing project proposals and in the process of implementation of the projects.

He urged that proper financial accounting, procedure and regulations are practiced in the projects undertaken by CDF. Also the CDF Act, 2003 is what guides the composition and operations of the CDF.

He noted that bursary applications were quite many and he encouraged the members present that the most needy students/parents and orphans should be encouraged to appley and the employed and stable parents should give a chance to the needy in the society.

2.4.3 Comments by ngararia MCA

He appreciated the forum and assured his commitment working together with the area M.P and the local leaders in ensuring there public participation even at ward level.

He said even in county govt they are encouraging public participation as enshrined in the constitution.

He thanked the CDFC for organizing and inviting the forum.

2.4.4 Comments by muruka MCA

He noted that the projects given were all across board and they would work hand in hand with all elected leaders as they promised.

2.4.5 Comments by Deputy county commissioner

He thanked all the members present and for their participation for their well being. He insisted that the constitution had given public participation a very pivotal role in the country as the public are have a mandate in the developments and enactment of policies and bills.

He noted that in developed countries public participation is the mandate of each public and this is a foot forward in achieving our countries democracy goals and towards vision 2030.

He also mentioned on the security issues around the constituency and his office is open for any information that would lead to arrest and prosecution of law breakers and that the identity of the one who will give the information would be concealed.

He encouraged the members present to come up in numbers wherever there is such meetings and also in public barazas in their areas.

He finally urged the members to be also vigilant in the process of implementation of the projects in their area and the to be part and parcel in the ownership of the projects as this are public projects and also they are meant to benefit the public

2.4.6 Comments by Area M.P

She thanked all the members present and for their active participation. She noted with a lot of concern the huge number of projects presented and urged for patience as they are implemented with priority base.

She assured her commitment in ensuring key sectors are addressed such as water , education, roads and security.

She however warned that any one who will dare misuse public funds be it a government officer, a contractor, an employee or the PMC that she will not be party to such and no mercy would be shown to him/her and they will have to carry their own cross.

She committed herself to lobby as much support as possible from other government ministries and departments and even donors to support in the funding of projects in the constituency.

She welcomed such meetings and noted that it is in the CDF act for the public participation.

She requested for support of the public in implementation of the projects and that the public should own this project and protect them from the people who destroys public property for selfish gains.

2.4.7 Projects priorities

The two wards representatives were separated into two groups to discuss their ward projects. After a long discussion, each ward presented its priorities projects which they advocated to be done by CDF Kandara.
