**Introduction.**

The NG-CDF act requires that the Chairman of the constituency board should convene public meetings every two years in order to give the constituents a chance to participate in the prioritization of projects for the NG-CDF in their areas.

Limuru NG-CDF organized public Barazas to collect views from the public on proposed projects for the financial years 2020/2021 and 2021/2022. The meetings were convened at strategic locations in each of the 5 wards and participants were mobilized through notices via calls and Sms as the barazas were only for stakeholders in adherence to the MoH regulations. The meetings were convened by the Member of Parliament for Limuru Constituency Hon, Peter Mungai Mwathi and Limuru NG-CDF committee. This report outlines the discussions and projects as proposed by community members and stakeholders who attended the barazas.
