National Government Constituencies Development Fund

TURKANA CENTRAL CONSTITUENCY

IEBC NUMBER 125

**NATIONAL GOVERNMENT CONSTITUENCY DEVELOPMENT
FUND**

WARD REPORT

2021/2022 FINANCIAL YEAR

SUBMITTED

OCTOBER 2021

1.0 Introduction or Background
1.1 About NG-CDF

The National Government Constituencies Development Fund (NG-CDF) is a kitty established under the Constituencies Development Fund Act, with the primary objective of addressing poverty at grassroots level .

NG-CDF is an intervention Fund that addresses the basic needs of wananchi, most of which may not have been taken into consideration by other organs of government.

Over the years NG-CDF has undertaken a range of projects which are currently in various stages of completion. These projects are identified by the community on priority basis and their utilisation is definitely satisfying community felt needs

1.2 About Turkana CENTRAL

Turkana Central's constituency identity is strongly associated with its arid and semi-arid characteristics and rural-small Lodwar town. The constituency's unique geographic character is adjacent to Lake Turkana, with picturesque patch of small forests, and the pristine salt waters of Lake Turkana that run along the constituency

TURKANA CENTRAL CONSTITUENCY

IEBC NUMBER 125

**NATIONAL GOVERNMENT CONSTITUENCY DEVELOPMENT
FUND**

WARD REPORT

2021/2022 FINANCIAL YEAR

SUBMITTED

OCTOBER 2021

1.0 Introduction or Background

1.1 About NG-CDF

The National Government Constituencies Development Fund (NG-CDF) is a kitty established under the Constituencies Development Fund Act, with the primary objective of addressing poverty at grassroots level .

NG-CDF is an intervention Fund that addresses the basic needs of wananchi, most of which may not have been taken into consideration by other organs of government.

Over the years NG-CDF has undertaken a range of projects which are currently in various stages of completion. These projects are identified by the community on priority basis and their utilisation is definitely satisfying community felt needs

1.2 About Turkana CENTRAL

Turkana Central's constituency identity is strongly associated with its arid and semi-arid characteristics and rural-small Lodwar town. The constituency's unique geographic character is adjacent to Lake Turkana, with picturesque patch of small forests, and the pristine salt waters of Lake Turkana that run along the constituency
