1.0 Background on NGCDF

The National Government Constituencies Development Fund (NG-CDF) is established under Section 4 of the NG-CDF Act 2015 as amended in 2021, with an objective of addressing poverty and regional development imbalances by dedicating a minimum of 2.5% of the National Government share of annual revenue as divided by the annual Division of Revenue Act enacted pursuant to Article 218 of the Constitution. The funds are geared towards community driven development projects in every constituency identified and implemented at grassroots level.

The Fund is managed by the NG-CDF Board, which is a Body Corporate established pursuant to Sections 14, 15 and 16 of Act. 2.1.3 COMMENTS

BY THE CHAIR NGCDFC

Riwo ward is one of the wards that need a lot of education infrastructure; therefore, a lot of emphasis should be put towards education.

By the Deputy County Commissioner (DCC)

.....
*Projects identified are relevant to the
 community interests especially social
 security.*

By Hon. Samuel chumel Moroto –Area MP.

In riwo ward a lot of emphasis should be put on building of school infrastructure and social security which is really needed for the betterment of our schools results and towards achieving hundred percent transition from primary to secondary

Comments by FAM on the nature of projects with respect to NG-CDF Act

Prioritization of projects should be on areas that have not been devolved in conformity with the ng-cdf act 2015 which majors on education and social security projects, also cost estimates should be able to complete the project and equip where possible for better utilization of the projects by the intended purpose.
