The chairman called the meeting to order at 0930 hrs and requested Mrs. Rosebella Rutto to open with a word of prayer and thereafter he introduced the agenda of the day.

NG-CDFC/TURBO /MINUTE 02/ 14/09/2021 READING AND CONFIRMATION OF PREVIOUS MINUTES FOR THE MEETING HELD ON 02-08-2021

The chairman requested the secretary to go through the minutes of the previous meeting held on the 2nd August 2021. Minutes were proposed and seconded by Mr. Petero Rotich and Miss Emmilliana Cheruiyot respectively as a true record of the day's deliberations.

The block contains handwritten signatures in blue ink. One signature is clearly legible as 'Rosebella Rutto'. Below the signatures is a blue rectangular official stamp. The stamp contains the text 'P.O. Box 30188, ELDORET' and the year '2021'. There is also a small number '1' in the top right corner of the stamp.

NG-CDFC/TURBO /MINUTE 03/14/09/2021 MATTERS ARISING

Under the agenda on disbursements to the constituency the members sought to know if all the funds disbursed to the constituency had been exhausted which the chairman informed them that all projects funds had been processed and presented to the project management committees and were in the process of tendering. Only projects that had issues like Leseru Girls secondary school, Sugoi Gaa primary school and Teldet Primary School were still awaiting project funds once they are cleared.

NG-CDFC/TURBO /MINUTE 04/14/09/2021 REPORT ON DELIVERY OF OFFICE FURNITURE AND WATER TANKS FOR SCHOOLS

The Chairman informed members that; the allocation table for Constituencies funding had been released to NGCDFC to be table in the meeting. It is a mandatory requirement to submit project proposals for the financial year 2021/2022. The Chairman also informed members that Wards project prioritization reports for 2021/2022 as well as the strategic objectives in the strategic plan for 2018-2022 will be used in identifying the project for funding for the next two years.

Fund Accounts Manager informed members that all ongoing projects were to be given first priority in the allocation of funds followed by high impact and best practices projects as stated in the performance Contract with NG-CDF Board for 2021/2022. FAM also advised member to look into funding classrooms desks especially for the completed CDF classrooms in the constituency.

NG-CDFC chairman congratulated members for their hard work in the implementation of projects from foundation to finishing except some few projects in wards where land terrains were a bit complex in transportation. Furthermore; any new project should be allocated more fund to completion as from 2021/2022 instead of piece meal funding which later attract audit queries from auditor General as well as getting value for money. Members resolved to fund the project from the start to completion to avoid repeating funding them again the following year.

Included in this amount is an emergency fund of Ksh7,192,207.00 which should remain unallocated but to cater for emergencies within the budgeted period.

[Handwritten signatures and a blue ink stamp]
The stamp is a rectangular box containing the following text:
- Top left: "4" (likely a page number)
- Top right: "2021" (year)
- Center: A signature in blue ink.
- Bottom left: "P.O. Box" (partially obscured)
- Bottom right: "20162, ELDORET" (address)

NG-CDFC/TURBO /MINUTE 06/14/09/2021 RE-ALLOCATION /RE-SUBMISSION /REQUEST FOR CHANGE OF PROJECT ACTIVITTES

The chairman informed members that there were schools that had been issued with project cheques which implementation activities were wrongly stated in the approved code list which

the NGCDFB had to be informed of the correct project activities and hence give approval for implementation. The projects that had the wrong project activities are as follows;

1. RE-ALLOCATION OF ST. PATRICKS PRIMARY SCHOOL FUNDS FOR CONSTRUCTION OF A CLASSROOM TO RENOVATION OF CLASSROOMS. (KSHS. 750,000)

ST. PATRICKS PRIMARY SCHOOL	4-27-142- 2630204-104-	RENOVATION OF 4 CLASSROOMS IN THE SCHOOL BY INSTALLATION OF WINDOW PANES, PAINTING, INSTALLATION OF CEILING BOARDS, STEEL DOORS AND RE-FLOORING	750,000	NEW
--------------------------------	---------------------------	--	---------	-----

Reasons for re-allocation

- ST. PATRICKS PRIMARY SCHOOL Kshs. 750,000 the funds were meant for construction of one classroom, but the school management intends to utilize the funds in renovation of 4 classrooms by installation of ceiling boards, steel doors, window panes, re-flooring and painting. The school has 16 classrooms that are in very bad state and hence the reason for renovation instead of building an extra classroom.

2. RE-ALLOCATION OF ST. ANTHONY BOINETT SECONDARY SCHOOL FUNDS FOR PART-FUNDING OF A SCHOOL BUS TO ADDITIONAL FUNDING FOR CONSTRUCTION OF A SCIENCE LABORATORY

ST. ANTHONY BOINETT SECONDARY SCHOOL	4-027-142- 2630205-104- 2015/2016-002- 010	CONSTRUCTION OF A SCIENCE LABORATORY IN THE SCHOOL	1,000,000	NEW

Reasons for re-allocation /change of project activities

The Ministry of Education has since put up a policy of not charging parents an extra levy for the support of co-funding of school buses and hence the school sought for re-allocation of the funds already disbursed to the school for funding of a science laboratory to a tune of Kshs. 1,000,000.

3. RE-ALLOCATION OF FUNDS FROM EMERGENCY FUNDS 2020/2021 F/Y AND 2019/2020 TO CHEPSAITA SECONDARY SCHOOL.

CHEPSAITA SECONDARY SCHOOL	4-027-142-2640200-100-2020/2021-01	PURCHASE OF FIFTY ONE (51) SEATER SCHOOL BUS FOR THE SCHOOL	7,192,206.90	NEW
CHEPSAITA SECONDARY SCHOOL	4-027-142-2640200-100-2019/2020-01	ADDITIONAL FUNDING FOR THE ONE (51) SEATER SCHOOL BUS FOR THE SCHOOL	607,793.38	NEW
MURGUSI SECONDARY SCHOOL	4-027-142-2640200-100-2019/2020-01	ADDITIONAL FUNDING FOR THE ONE (51) SEATER SCHOOL BUS FOR THE SCHOOL	3,590,448	NEW
		TOTAL RE-ALLOCATED AMOUNT	11,390,448.28	

Reasons for re-allocation

The re-allocation has been warranted due unutilized emergency funds for in the specified financial years the committee is seeking re-allocation to the specified school for purchase of a school bus.

4. ST. MARYS OSORONGAI SECONDARY SCHOOL Kshs. 1,000,000 (Re-allocation/ Request for change of project activity). The funds were for construction of a ramp accessing the

upper floors. But, the school management intends to utilize the funds in completion of two classrooms by installation of windows, doors, wiring, plastering, tiling and painting. The reason for the request for change of project activity is that there is pressure for the need for more classrooms while the disability ramp has been given as second priority to classrooms which students need to urgently get in to.

5. RE-SUBMISSION OF AUDIT FEE (KENAO) TO COMPLETION A RUMP FOR ST. MARYS' OSORONGAI SECONDARY SCHOOL Kshs. 500,000

ST. MARYS' OSORONGAI SECONDARY SCHOOL	4-027-142-2211310-108-2015/2016-001	FOR CONSTRUCTION TO COMPLETION OF A DISABILITY RAMP IN THE SCHOOL CONNECTING THE UPPER FLOORS	500,000	NEW
---------------------------------------	-------------------------------------	---	---------	-----

Reasons for re-submission

The funds were meant for facilitating audit activities within the constituency but the members of the national assembly declined to approve its utilization and subsequent disbursement to the constituency hence the reason request to re-submit to fund the construction of the ramp in this chosen school.

6. SUGOI GAA PRIMARY SCHOOL Kshs. 1,000,000 the funds were for purchase of one acre piece of land while the price currently has risen to Kshs. 1,500,000 for one acre piece of land and hence the need to allocate more funds to enable the school purchase the same piece of land. The committee is requesting for change of project activity to be allowed to purchase the one-acre piece of land at Kshs. 1,500,000.
