The funds are geared towards community driven development projects in every constituency identified and implemented at grassroots level.

The Fund is managed by the NG-CDF Board, which is a body corporate established pursuant to Sections 14, 15 and 16 of Act. MIN7/ 11/1/2023: Reallocation

The members were informed that the Project Management Committee (PMC) for Chepsigot Market Shade project have made a request to reallocate funds for construction of market sheds to Chepsigot Assistant chief's office for renovation of 4No.rooms office; floor tiling and installation of cabinets at Kshs 470,000. This request comes about since the projects had not been implemented for years now and it falls under the county government functions. Therefore, the members agreed that the request should be forwarded to the board for approval.

MIN8/ 11/1/2023: Change of Projects' Activity

The chair informed the member of the request to change projects' activity for Koimur Assistant Chief's office form purchase of 2acres of land at Kshs. 200,000 to purchase of 0.5 acres of land at Kshs.250, 000. This request has been made due to the change of market prices in Koimur and also the delay of disbursement of funds for financial year 2020/2021 thus the project wasn't implemented as projected hence the need for the changes of activity. There was also a request from Mosop Assistant Chief-requesting a change of activity from Construction of 2No. room office to Construction of 3No. room office. The change has occurred due to the need to have a bigger office with more space hence additional funds allocated in the financial year 2022/2023 amounting to Kshs. 370,000. The members agreed that these requests should be forwarded to the NG-CDF Board for approval to allow the project to commence immediately.

MIN9/ 11/1/2023: Receipts of funds

The members were informed that the NG-CDF Board had disbursed 7m for office administration and recurrent expenditure at Kshs.2,000,000 and Kshs.5,000,000 for bursary. The members agreed that the funds should be used accordingly.

MIN10/ 11/1/2023: Commissioning of completed project
