The public participation exercise was done in the month of October 2024 from 14<sup>th</sup> -17<sup>th</sup>. In summary the total number of institutions that gave their priorities was as follows.

NO	WARD	PRIMARY	SECONDARY	COLLEGE	SECURITY. (chiefs office/police post)
1.	SONGHOR/SOBA	47	12	1	4
2.	CHEMELIL/CHEMASE	26	8	0	2

	<b>TOTAL</b>	<b>129</b>	<b>38</b>	<b>2</b>	<b>18</b> <b>2-police post.</b>

During the exercise the following observations were observed:

Some members of the public still prioritize devolved projects such as water, health and roads.

There are some on-going projects that have been outstanding for so many years. This was due to some PMCs failing to report the status of the projects once implementation is completed.

From the ward report NG-CDFC agreed to fund the following projects:

For the ongoing projects NG-CDFC resolved to allocate adequate funds to complete the projects.

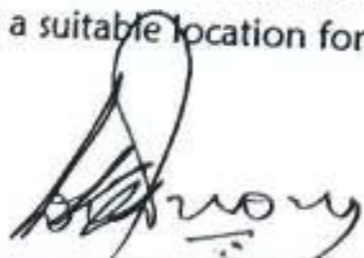

For Meteitei Police Station it was resolved that the balance from 2023/2024 Emergency funds be re-allocated to complete the project.

**MIN: 6/24/11/2024 PROJECT PROPOSALS 2024/2025**

The committee budgeted the allocation of Kshs. **170,469,856.74** for the 2024/2025 as per circular Ref: NG-CDFB/CEO/NG-CDF CIRCULARS/Vol III (001) dated 22<sup>nd</sup> October 2024 as follows.

<b>Vote</b>	<b>Amount (Kshs.)</b>
Emergency 5%	8,972,097.72
Administrative expenses 6%	9,142,480.
Bursary 40%	55,000,000
Climate Change Mitigation 5%	8,205,891
Monitoring and Evaluation	4,473,394
Projects	84,880,000

NG-CDFC will not be allocating funds to Digital Hubs since there are two that exist that were financed by the ministry of ICT. The two are located at Tinderet Technical Trainers Teachers College and Tinderet Technical and Vocational College. NG-CDFC is also yet to identify a suitable location for an ICT project.

The committee allocated funds to 20 schools out of the 79 Junior Secondary Schools (JSS) listed by the Ministry of Education that required funding for Grade 9 infrastructure. It was noted, however, that a significant portion of these schools had previously received funding, and the existing structures were deemed sufficient to accommodate their current needs.

For environment projects the implementation was done based on the request from the various institutions.

From the ward report and the report on on-going projects NG-CDFC submitted the following projects:

NATIONAL GOVERNMENT

CONSTITUENCY DEVELOPMENT FUND

PUBLIC PARTICIPATION REPORT

2024/2025-2025/2026 FINANCIAL YEAR

OCTOBER 2024

## 1.0 BACKGROUND ON NGCDF.

The National Government Constituencies Development Fund (NG-CDF) is established under Section 4 of the NG-CDF Act 2015 as amended in 2016, with an objective of addressing poverty and regional development imbalances by dedicating a minimum of 2.5% of the National Government share of annual revenues as divided by the annual Division of Revenue Act enacted pursuant to Article 218 of the Constitution. The funds are geared towards community driven development projects in every constituency identified and implemented at grassroots level.

The Fund is managed by the NG-CDF Board, which is a Body Corporate established pursuant to Sections 14, 15 and 16 of Act. At the constituency level, the day to day management of the Fund is vested on the National Government Constituency Development Fund Committees that are in place in each of the 290 constituencies countrywide.

The main mandate of NG-CDF Board is to consider project proposals submitted from various constituencies in accordance with the Act, approve for funding those projects proposals that are consistent with the Act and send funds to the respective constituency fund account of the approved projects.

**Tinderet Constituency** is an electoral constituency in Kenya. It is one of the constituencies in Nandi County.
