

## ACKNOWLEDGEMENT

The successful completion of the open forum public meetings was made possible by the assistance of many people. I am deeply grateful to the Member of Parliament for consulting with the NGCDF Chairman and other area leaders on the need for effective public participation to help in identification and prioritization of Constituency NGCDF Projects for consideration and funding. I am also indebted to the NGCDF Chairman for finally scheduling and convening the various open forum public meetings in respective Wards accordance with the law to engage the public on project priorities for funding consideration.

My sincere appreciation goes to the Deputy County Commissioner for mobilizing the Assistant County Commissioners, Chiefs and Assistant Chiefs to inform the community on the various open forums meetings and further inviting community members to attend in good numbers and on time.

Much gratitude also goes to the NGCDF Committee members who was instrumental in facilitating, coordinating, leading and effectively following through the public participation forums across the Constituency to identify and prioritize NGCDF projects FY 2021/2022 and FY 2022/2023. I sincerely thank all the NGCDF Committee who tirelessly worked to ensure that the Ward priorities are in line with the NGCDF Act 2015, as amended in 2016 and other legal requirements. We also cannot forget to thank all the NGCDF Project Management Committee members for the constructive engagements as well as community members for heeding the call to attend and contribute positively in the open forum public meetings.

Lastly, i would like to thank the NGCDF Office staff whose assistance made it possible the production of various reports and documents accompanying the submission of project proposals FY 2021/2022.

### 1.1 ABOUT NG-CDF.

The Constituencies Development Fund (CDF) was established under the Constituencies Development Fund (CDF) Act, 2003, amended in 2007 and repealed by the CDF Act of 2013. In 2015, the CDF Act of 2013 was declared unconstitutional and a new Act was enacted in 2015, being the National Government Constituencies Development Fund Act (NG-CDF Act, 2015). The National Government Constituencies Development Fund (NG-CDF) is under the Ministry of Devolution and Planning.

The Constituency Development Fund (CDF) was introduced in Kenya in 2003 with the passage of the CDF Act 2003 by the 9th Parliament of Kenya which was repealed in 2013 by the CDF Act 2013. The CDF Act provides that the government dedicates a minimum of 2.5% of all National Governments' share of annual revenue towards community projects identified at constituency level by communities.

The fund was designed to bring about equitable development and reduce poverty at the constituency level by providing mechanisms for supplementing implementation of the National Government development Agenda at the constituency level.

The CDF program has facilitated the putting up of education facilities in all parts of the country, including remote areas that were usually overlooked during funds allocation in national budgets.

## 7. WARD MEETINGS REPORT

### 1.1 Background

The open public meetings held across the Constituency were organized in compliance with the provisions of the Constitution of Kenya 2010 on public participation and further pursuant to the provisions of the NGCDF Act 2015 (As amended in 2016). The Constitution specifically under Article 201(a) provides that *"there shall be openness and accountability, including public participation in financial matters."* Accordingly, Article 10(2)(a) on national values stipulates that *"the national values and principles of governance include the rule of law, democracy and participation of the people."*

The open forum public meetings were also convened and held pursuant to the provisions of Section 24(6) of the NGCDF Act 2015 which provides that *"the Chairperson of the Constituency Committee shall, within the first year of the commencement of a new Parliament and at least once every two years thereafter, convene open forum public meetings in every Ward in the Constituency to deliberate on development matters in the Ward and in the Constituency"*

The forums were important in engaging the public on NGCDF matters and getting vital feedback critical in Constituency projects identification, prioritization, implementation and overall management. It is also noteworthy that the data from the open forum meetings shall also greatly inform the development of the Constituency Strategic Plan 2021/2022-2025/2026.

### 1.2 Basis for Convening the Meetings

The Nandi Hills NGCDF open forum public meetings were convened and held pursuant to the provisions of the Constitution of Kenya 2010 and more specification pursuant to the stipulates of Sec 24(6) of the NGCDF Act 2015 which provides that *"the Chairperson of the Constituency Committee shall, within the first year of the commencement of a new Parliament and at least once every two years thereafter, convene open forum public meetings in every Ward in the Constituency to deliberate on development matters in the Ward and in the Constituency"*

These meetings were convened and held in identified venues in every Ward within the Constituency in order to ensure greater reach in projects deliberations and prioritizations due to the challenges of distance and terrain.

### 1.3 Importance of the NGCDF Public Participation Forums

Citizen participation in project planning, management and implementation planning requires the involvement of concerned stakeholders. This includes identifying public concerns and values and developing a broad consensus on planned initiatives. It is also about utilizing the vast amount of information and knowledge that stakeholders hold to find workable, efficient and sustainable solutions.

Public participation encompasses a range of procedures and methods designed to consult, involve, and inform the public to allow those that would be potentially affected by a decision or policy to have input into the process. Community participation motivates the stakeholders to work together, recognize the benefits of their involvement and own the projects in their localities.

Stakeholders play a central role in setting up priorities and objectives of development initiatives by ensuring relevance and appropriateness. It is important that all stakeholders are therefore involved in the development of NGCDF projects and not just direct beneficiaries of an initiatives.

The bottom of the page features several handwritten signatures in blue ink. On the left, there is a rectangular stamp with the text 'NANDI HILLS CONSTITUENCY DEVELOPMENT FUNDS' and a date stamp '18 OCT 2021'. To the right of the stamp, there are three distinct signatures. The first signature is partially obscured by the stamp. The second signature is written in a cursive style. The third signature is also cursive and appears to be a name starting with 'M'. There is a horizontal line drawn across the page just above the signatures.

While acknowledging the provisions of the NGCDF Act 2015 and the Constitution of Kenya on public participation, the NGCDF Committee were cognizant of the fact that the open forum public meetings would:-

- i) Give people of diverse backgrounds a chance to express their views on the Fund.
- ii) Help in understanding the community's needs and resources requirements.
- iii) Offer valuable insights into the community priorities and planning requirements.
- iv) Motivates the stakeholders towards teamwork, and project ownership.
- v) Provide a database for guiding and explaining actions of the NGCDF Committee.
- vi) Enhance linkages and cooperation between the NGCDF Committee and the community.
- vii) Provide vital feedback on projects to inform the preparation of the Constituency Strategic Plan 2021/2022-2025/2026.

### 3.4 Planning Requirements

To ensure success of the forums, the following requirements and plans were critical:-

- i) Securing the meeting places and venues.
- ii) Inviting the NGCDFC members.
- iii) Mobilizing the community members
- iv) Inviting the area leaders.
- v) Preparing a programme of the entire meetings.
- vi) Preparing a detailed report on previous projects priorities and bursary funding.
- vii) Coordination with the public participation facilitators.
- viii) Securing the NGCDF vehicle and other resources needed for success.
- ix) Preparation of all attendance registers and project prioritization forms.
- x) Finalization on transport and logistics including securing motor vehicles.
- xi) Periodic communications with NGCDFCs, Chiefs and Assistants Chiefs prior to the meeting day.

### 1.5 Guidelines Issued

In furtherance of the above, the Nandi Hills NGCDF Chairperson and the Fund Account Manager wrote to all area leaders, Deputy County Commissioner, Assistant County Commissioners, Chiefs, Assistant Chiefs, NGCDF members and all Project Management Committees on the guidelines and requirements for the effective public participation programme.

The communication were prepared and delivered on time as required to give them adequate time to read and prepare for the forums.

### 1.6 Attendance

It was noteworthy that the attendance during all the open forums across the Constituency was impressive and representational. It was noted that the meetings attendance took into account the geographical diversity, communal, social and cultural interests in the Ward and the requirements of gender, youth and representation of persons with disabilities;

### 3.0 WARD MEETINGS

The exercise was carried out for four days covering all the four wards in the constituency namely Ollessos, Chepkunyuk, Kapchorua and Nandi Hills. The advert on public participation itinerary schedule is outlined below;

### 3.6 COMMENTS BY THE NG-CDTC CHAIRMAN

He highlighted on the achievements so far within the constituency explaining that it was a constitutional requirement that they all participate in identifying the projects to be funded in the constituency, and stressed the need of all the stakeholders to come together during planning to avoid duplication and double funding of projects. He called upon the County Government through the area member of county assembly who was present to share their development projects publicly to enable the constituents be aware of projects being implemented in their areas.

### 3.7 COMMENTS BY THE AREA MEMBER OF COUNTY ASSEMBLY

- The Area MCA reiterated upon the members present to continue sensitizing the public, on bursary application requirements and focus on those really needy cases so as to be able to be assisted by being given a full assistance to cover the entire course. He urged them to focus mainly on development issues and not politics. He insisted to the members that due limited funds all the projects cannot be implemented at once but gradually hence the need of setting priorities.

### 3.9 CHALLENGES

Members expressed concern as follows;

- Non-completion of projects fundable by NG-CDF,
- Underfunding of the projects,
- Delay on release of funds from NG-CDF Board,
- New projects being initiated while the ongoing are incomplete.
- They also raised concerns on the road that are managed by NG-CDF and requested that the road improvement method be changed, so as to allow only a stretch that can be graded, murrumed and compacted other than the current spot maintenance.

### 4.0 WAY FORWARD

The forum resolved that all the funds disbursed to projects be spent prudently to promote value for money and improve the livelihood of the residents. They proposed the following ways to be implemented;

1. That all ongoing projects be completed before starting new ones.
2. That buses awards be given to schools on merits
3. That funding to bursaries be increased based on the needs on the ground.

The members were so grateful to NG-CDF for the good work exhibited by the current committee members.

There being no other business to deliberate, the meeting ended at 5.00pm with a word of prayer from one of the participants.

### 4.1 CHEPKUNYUK WARD

#### 4.9 CHALLENGES

Members expressed concern as follows;

- Non-completion of projects fundable by NG-CDF,
- Underfunding of the projects.
- Delay on release of funds from NG-CDF Board,
- New projects being initiated while the ongoing are incomplete.
- They also raised concerns on the road that are managed by NG-CDF and requested that the road improvement method be changed, so as to allow only a stretch that can be graded, murrummed and compacted other than the current spot maintenance.

#### 5.0 WAY FORWARD

The forum resolved that all the funds disbursed to projects be spent prudently to promote value for money and improve the livelihood of the residents. They proposed the following ways to be implemented;

1. That all ongoing projects be completed before starting new ones.
2. That buses awards be given to schools on merits
3. That funding to bursaries be increased based on the needs on the ground.

There being no other business to deliberate, the meeting ended at 3.00pm with a word of prayer from one of the participants.

### 6.7 CONCLUSION

- The Forum requested the area member of national assembly through the NG-CDFC Chairman to assist in expediting funds release from NG-CDF Board to the constituency in time within the financial year to help projects development and Bursary disbursement to the needy students on time.
- Frequent development forums should be held to give the public information concerning the development initiatives being undertaken by NG-CDF Nandi Hills.
- There should be a joint forum where NG-CDF, County Government and other development stakeholders plan together to avoid duplication of projects.
- The meetings resolved that ongoing projects shall be given precedence, to fast track their utilization to enable the beneficiaries get value for money.
- Allocations to projects should also be adequate, to enable completion of project once started, since if completion is delayed the project cost rises due to factors like inflation and wear and tear.
