The NG-CDF team comprising of Fund Account Manager, NG-CDFC members, NG-CDFC staff arrived at the venue at 10.00am ready to receive project proposals from the people of Mwisho Wa Lami. The attendance of the meeting was good and reaction of the public was positive since the agenda of the day was to involve the public in addressing the needs of the people of Mwisho Wa Lami. The meeting started at 12.30 pm with a word of prayer from one of member of the public after which the NG-CDFC chairman explained to the members present the purpose of the meeting and the specific proposals to be received.

The Fund Account Manager also encouraged the members of the public to feel free in submitting their proposals and also clarified on issues raised by the public on the role of NG-CDF

Submission of proposals

Submission of proposals was guided by the NG-CDF act which clearly defines the scope of projects to be undertaken by NG-CDF. The NG-CDF Act stipulates two broad categories which include those projects falling under:

1. Education
2. Security

The following projects were proposed by people present in the meeting.
