INTRODUCTION

The constituency Development Fund (NG-CDF) is a creation of NG-CDF Act 2013. It started in the year 2013 with the coming into power of the NARC government- the objectives of the NG-CDF are to fight poverty infrastructure Development and wealth creation

The NG-CDF is credited with bringing development and revolutionizing the whole development approach at the grassroots. Despite many achievements NG-CDF has encountered challenges both at constituency and at National level of which the National Management Board together with national assembly has tried to have handled.

Naivasha Constituency located within Nakuru County. It has a population of about 450,000 as per 2019 census covering about 425.48 kilometer squares. It Neighbors Kajiado South Constituency, Lari Constituency, Narok East Constituency, Gilgil constituency and Nyandarua South Constituency. Naivasha has eight wards namely Mai Mahiu ward, Olkaria ward, Viwandani ward, Naivasha East ward, Lake View ward, Biashara ward, Maella ward and Hells Gate Ward.

Naivasha Constituency is well endowed with natural resources due to its Geographical position, which includes Lake Naivasha, Mt Longonot, Kikuyu Escarpments, and Hells Gate National Park and Geothermal wells in Olkaria making it hospitality hub for both local and international tourists in the country in addition to serious investments and settlements all over Naivasha.
