### GIL/NG-CDFC/MIN 336/2021 – PROJECT RE-SUBMISSION

The Chairman informed members that the Head Teacher Kagumu Primary school had requested for funding of the impassable road leading to the school. The same road by the name, Kwa Jeremia - Kagumu Primary sch road was initially submitted for funding in the financial year 2020/2021 project proposal. The county government came in and did the works. Gilgil NG-CDF had allocated the road Kshs. 3,000,000, hence the allocation should be re-submitted for another project.

Kiambogo Dispensary - Muthaiti pri sch Road was also submitted for funding during the same financial year. The road had been allocated Kshs. 3,000,000. However, the Constituency Roads Officer carried out a technical evaluation after subdivision of the land around that place that necessitated the expansion of the same road and came up with a report that requires more funding for the extra works. Members therefore unanimously agreed to re-submit Kshs. 3,000,000 which was previously allocated to Kwa Jeremia - Kagumu Primary sch road to Kiambogo Dispensary - Muthaiti pri sch Road to enable the completion of that road to the desired state. The total amount of Kshs. 6,000,000 will allow for comprehensive works on the said Road.
