Vision: To be a leading public institution in the effective and efficient management of devolved funds

MIN 04/07/12/20: A.O.B

The members tasked the FAM to request for the remaining amount of Kshs.. 68 Million from the National Board. The FAM informed the meeting that he could only do that if the bank balance is below Kshs.. 10 million which at the moment the bank balance was above Kshs.. 12 million which most of it was being held up by the bursary cheques that the committee had given out to parents in November but had never been presented to the schools since most of the parents were waiting to present them in January 2021 when most schools resume.

The Chairperson thanked the members for keeping time during meeting and requested the same spirit to be exercised in future. There being no other business the meeting ended at 01.00 p.m. next meeting to be communicated.
