**NATIONAL GOVERNMENT CONSTITUENCY
DEVELOPMENT FUND**

WARD REPORT

2022/2023 FINANCIAL YEAR

**SUBMITTED
JANUARY 2023**

INTRODUCTION

The National Government Constituencies Development Fund (NG-CDF) formerly Constituencies Development Fund (CDF), is a fund established in 2003 through an Act of Parliament, the CDF Act 2003. The Act was later reviewed by the CDF (Amendment) Act 2007, and repealed by CDF Act, 2013 which was subsequently succeeded by the current NG-CDF (Amendment) Act 2016.

The Fund is domiciled within the ministry in charge of national economic policy and planning, currently the Ministry of Devolution and Planning. The main purpose of the Fund is to enhance infrastructural and socio-economic development at the grass root level in order to reduce poverty by dedicating a minimum of two and half per cent (2.5%) of all National Government's share of annual revenue towards community projects identified at constituency level by the communities.

The fund is managed by National Government Constituencies Development Fund Board (NG-CDF Board) established under Section 14(1) of the National Government Constituencies Development Fund (NG-CDF) Act, 2015. The NG-CDF Board is the organ responsible for the overall management of the Fund at the National level. It ensures that administration of the fund is done efficiently and effectively.

NGCDF Committee is established under section 43(1) of the National Government Constituencies Development Fund Act, 2015. The Committee is mandated to administer the fund at the constituency level. Key responsibilities are to identify projects, allocate funds to projects, and disburse the funds to project implementation committee, monitor the implementation of the fund and report to the NCCDF board.

Kuresoi South is a constituency in Kenya. It is one of eleven constituencies in Nakuru County. Kuresoi South includes four electoral wards:

1. Amalo Ward
2. Keringet Ward
3. Kiptangich Ward
4. Tinet Ward

It borders Molo, Kuresoi North constituencies. It has an area of approximately 583 sq km². The constituency has an estimated population of 115,435 and 55,661 registered voters.

Projects

In the last financial year (2021/2022) the NG-CDF allocation was Kshs. 137,088,179. The funding was distributed to education, environment and security sectors among others. Since the funds were not disbursed on time to the constituency account, 85% of the projects funded were not complete.
