IEBC NUMBER 171**

**NATIONAL GOVERNMENT CONSTITUENCY
DEVELOPMENT FUND**

WARD REPORT

2022/2023 FINANCIAL YEAR

**SUBMITTED
JANUARY 2023**

1.0 About CDF

The Constituencies Development Fund was created by the Constituencies Development Fund Act, 2003 with the primary objective of addressing poverty at grassroots level by dedicating a minimum of 2.5% of the Government ordinary revenue to grassroots development and the reduction of poverty. The fund is managed by the Constituencies Development Fund Board (CDFB)

In January 2013, the CDF Act 2003 (as amended in 2007) was repealed and replaced with CDF Act 2013 that is aligned to the constitution of Kenya 2010.

The enactment of the CDF Act 2013 was mainly aimed to ensure that the law governing CDF is aligned to the Constitution of Kenya 2010, specifically in compliance with the principles of:

- ✓ Transparency and Accountability,
- ✓ Separation of Powers
- ✓ Participation of the People.

The new law was also aimed to align the operations of the Fund to the new devolved government structure. The CDF Act 2013 was repealed in 2015 to conform to the functions of the national government. Currently there is the NGCDF Act 2015 which deals specifically with functions of the National Government
