Introduction/Background

About Nation Government Constituencies Development Fund (NG-CDF)

The Nation Government Constituencies Development Fund (NG-CDF) was established through the Constituencies Development Fund Act, 2003 (subsequently amended in 2007) with the primary objective of addressing poverty at grassroots level by dedicating a minimum of 2.5% of the National Government ordinary revenue to grassroots development and the reduction of poverty. The Fund is managed by the Constituencies Development Fund Board (NG-CDFB). In January 2013, the NG-CDF Act 2003 as amended in 2007 was repealed and replaced with NG-CDF Act 2013 that is aligned to the Constitution of Kenya 2010. The enactment of the NG-CDF Act 2013 was mainly aimed at ensuring that the law governing NG-CDF is aligned to the new Constitution of Kenya 2010, specifically in compliance with the principles of; transparency and accountability, separation of powers; and participation of the people. The new law also aimed at aligning the operations of the Fund to the new devolved government structure.

constituency has four County Assembly Wards being; Kamasian Ward, Chilchila Ward, Kipkelion Ward and Kunyak Ward.

It has 37 sub-locations namely; Mtaragon, Nyairobi, Kutung, Bartera, Tuiyobei (Kipsegi), Leldet, Lelu, Kapkures, Kalyet, Siret, Barsiele, Segetet, Tingoro, Macheisok, Tombo, Kipkelion Town, Kipkelion North, Kapkwen (Kipkelion), Matarmat, Lesirwa, Mentera, Sereng, Siwot, Koisagat, Sombo, Songonyet, Chepkechei, Magire, Tulwapmoi, Kokwet, Cherara, Chemogoch, Kapkemoi, Kapkwen (Kunyak), Chelele, Chesonoi and Timbilil.

The people of Kipkelion West are mainly farmers, maize being the main cash crop. Most of them practice subsistence farming due to little land area. The area is well endowed and has several permanent rivers and numerous springs. There is however very little land irrigation activity. The failure to harness these abundant water resources for commercial farming through irrigation is a great set-back to economic development in the constituency.
