The committee also clarified that the disparity in costs for renovation of classrooms was due to the proximity of different schools to source of materials for construction and the extend of scope of works also made some of the activities expensive i.e. some classrooms are in dilapidated conditions.

MIN 12/09/2021: A.O.B

The committee requested the Chairman that Monitoring and Evaluation for all the ongoing projects was necessary so as to monitor and ascertain the progress of those projects, the agreed with the members and suggested that the matter be discussed during the next meeting.

The meeting ended at 12:30 PM with a prayer from Daisy Chepngeno.
