MIN.02,NG-CDFC/19/11/018 – ON-GOING PROJECTS,

The FAM through the Chairman tabled a list of incomplete projects within the constituency as submitted earlier to NG-CDF Board for the committee discussion and inclusion to the project proposal. The members deliberated on the projects' list and found that most of the projects listed have already been funded in the previous financial years and are now completed and in use. The few which were noted to require further funding included in the project proposal.

The chair emphasized that members to give fine details of the incomplete projects within their wards to ensure that they are all included. The committee later resolved that the few incomplete projects should take precedence in this financial years project proposal.
