Also, members acknowledge to get title deeds and other related land documents is a challenge due some factors, i.e. many parcels of land are under succession, in Groups.

Moreover, Mogor Assistant chief's office was allocated and funded with Kshs.100,000 for purchase of land 0.5-acre piece of land in 2022/2023 Financial Year; however, the allocated funds was not enough for the complete purchase of the land. The land valuation report shows its valued

of some of the schools within the constituency were among factors considered. There was also change of funds allocation for construction and completion of projects due influx of economic impact. The committee saw the need to increase fund so that we can be able to complete projects on time and realise the value for money. However, the NG-CDFC committee did the vetting of all projects presented through public participation and saw the need to fund the following projects.
