## 1.0 INTRODUCTION

Sabatia Constituency is one of the five constituencies in Vihiga County. It has a projected population of 149,079 as at 2019 with an area of 110.9 KM<sup>2</sup>.

This population density is one of the highest in the world for a rural population. The constituency poverty index is estimated to be of 41.5990

According to article 10 of the Kenya constitution, citizens are supposed to be involved in decision making and moreover determine what projects are to be implemented in their areas. With these in mind together with the principle of transparency and accountability, Sabatia NG-CDFC organized for public participation across all the wards. The Purpose of the public participation exercise was to seek views from citizens from all the sub-locations on what they want to be implemented by Sabatia NG-CDFC.
