NGCFC MIN: 06/11/10/2019 CLIENT FEEDBACK

The following issues were cited out in regard to improving service delivery:

- Committee taking too long to give information to clients
- Efficiency in terms of time in and time out
- Phone calls be made to clients incase whatever service they require is not needed
- Outsiders should not be allowed to use office computers as important information can be leaked out
- Challenge in getting BoQs from Public of Works
- Incompetent Contractors should not be allowed to do construction works.
- Projects above 1,000,000.00 and data on contractors be posted on the website
- Pending bill for Quickmore Research services be cleared this financial year

NGCFC MIN: 07/11/10/2019 A.O.B

- Reception not friendly
Need to improve on it through regular staff meetings and use one spare room to attend to clients with related cases.
- Visitors and even the committee Members must sign in and out at the gate while staff should use their own book.
- There being no other Business the meeting was adjourned at 4:30pm with a closing prayer from Mrs. Murwayi.
