RE. MADUWA/MARACHI POLICE POST BUSIA POLICE STATION

In reference to the above proposed police post which was to be build at Maduwa /Marachi area along Kenya -Uganda common border. The post is situated in a no man space area created by East Africa Community. Kindly be informed that the said police post has never been gazetted as required and development on the said land was terminated in order to ensure maintenance of buffer zone along the National boundaries after protests from the communities.

You may therefore redirect the money set aside for the post to complete Korinda Police Station and Sub County Headquarters at Korinda area.
