0.0 Introduction or Background

0.1 About NG-CDF

The Constituencies Development Fund (NG-CDF) was established under the Constituencies Development Fund (NG-CDF) Act, 2003, amended in 2007 and repealed by the NG-CDF Act of 2013. In 2015, the NG-CDF Act of 2013 was declared unconstitutional and a new Act was enacted in 2015, being the National Government Constituencies Development Fund Act, NG-CDF Act, 2015. The National Government Constituencies Development Fund (NG-CDF) is under the ministry of Devolution and Planning. The objective of the fund is to provide mechanisms for supplementing implementation of the National Government Development Agenda at the Constituency level.

0.2 About GEM

GEM is one of the six constituencies in Siaya County.

It has six wards namely: - North, South, Central, East, West & Yala town Wards.

The constituency borders Alego Usonga constituency on the north, Lwanda constituency on the East side, Seme & Rarieda Constituencies on southern side, Bondo constituency on the western side.

The main economic activities of the constituents is Farming (both food and cash crop), Domestic mining of Gold and Livestock keeping...

The constituency has a population of 179,792 persons as per the 2019 census.

The constituency has an area of 353.2 square kilometers.

Most part of the constituency is fertile & suitable for farming.

The committee has a number of challenges, the constituency being vast the issue of project monitoring has been difficult. Secondly the constituency has many poor residents hence the applicants for bursary is overwhelming leading to award of little monies to the beneficiaries.

The constituency is cosmopolitan, but the major tribes are the Luos and Luhya speaking communities.

Most of the residents of the Constituency are poor and depend on Subsistence farming for a livelihood.
