### 3.5.7 Challenges

Spreading the projects thinly on the ground hence funds no enough for all projects

### 3.5.8 Way-forward

Need for more funding by NG-CDFC so that it takes shorter period to complete projects started by the fund.

The ward committee to submit the discussed projects proposals on time to CDFC office.

### 3.6.0 Conclusion/way forward

Most wards needed more funding for projects

There is a big concern about the projects which were started by NG-CDFC but were later devolved to the counties especially in health sector which have since stalled and the county government is not making any effort to complete them
