WARD I: SOUTH UYOMA WARD

Introduction

The meeting took place on 16th September, 2021 at Agok Plateau from 10:30am.

Members

1. Member of Parliament
2. Deputy County Commissioner
3. NG-CDF Committee Members
4. NG-CDFC Staff
5. Ward Administrator
6. Sub County Director of Education
7. Sub County Police Commander
8. Area Chief(s)
9. Assistant Chief (s)
10. Members of the Public
11. Secondary School Head Representatives.
12. Primary School Head Representatives.

Preliminaries

The Ward Administrator called the meeting to order and called upon one volunteer to lead in opening prayer. He thereafter requested the area Chief to welcome visitors in his jurisdiction.

Comments by the Area Chief

The area chief welcomed members to the meeting after an opening prayer by one of the assistant chiefs. He thanked the Member of Parliament and the NG-CDFC for presenting the constituents with an opportunity to identify projects that would in turn help the community. He reiterated the importance of this process as this would promote ownership of the projects and total fulfillment of the user needs. This was applauded by all members as it gave the opportunity to the members of public unlike the past where projects could just be picked and funded without identifying need analysis from stakeholders

Comments by the Secretary of NG-CDFC

The Secretary started by reading out the projects that had been implemented from the Financial Year 2017/2018 to date through the NG-CDF Funds in South Uyoma Ward. She then stated that the importance of going through the list was to inform the members of the execution of projects over the past and thus assist members in identifying schools and Institutions that had not benefitted from the funds which will guide them during the day's process. She then welcomed the chairperson of the NG-CDFC to give his remarks and comments.

Remarks by the Chairperson of NG-CDFC

The Chairperson thanked the members for having accepted the invitation for the public participation and attending the forum. He informed members of the guidelines and the requirement of NG-CDF Act 2015 and Provisions of Section 27(1) of the NG-CDF Act as amended in 2016 requires that the Chairperson of the Constituency Committee shall, within the first year of the commencement of a new Parliament and at least once every two years

thereafter, convene open forum public meetings in every ward in the Constituency to deliberate on development matters in the ward and in the Constituency.....', hence the Committee will be holding the said meetings for the purpose of identifying projects for funding in financial year 2021/2022 in every ward within the Constituency.

He expressed the NG-CDFCs commitment to ensure equitable distribution of funds to projects among all the wards in the Constituency citing the Honorable Member of Parliaments commitment to the people of Rarieda to ensure equity and equality prevails. Dr Saoko reminded the members of public to be very keen when giving their priorities as most projects were more urgent in priority than the rest taking also into consideration the ongoing projects that had not been completed with others dating back to financial year 2017/2018.

The Chairperson went ahead to invite the Fund Account Manager to address the members.

Remarks by the Fund Account Manager

The Fund Account Manager thanked the members for honoring the invite to attend the public participation forum and more so the Member of Parliament for having scheduled himself to enable him be with his Constituents in this process of projects identification. He further thanked the Deputy County Commissioner too and the local Provincial Administration for the organizations they have done and their commitments to serving the people of Rarieda especially on bursary issues where the Chiefs are very instrumental in guiding on the very needy cases and their participation in the bursary process. He the informed members that eligible projects as outlined in section 24 of the NG-CDF Act are those that fall within the functions of the National Government under the Constitution. He stressed that this projects must be community based in order to ensure that the benefits are available to a widespread cross section of the inhabitant of a particular area. The members were encouraged to give consideration to proposals that foster sustainable development, promote human dignity and protection of marginalized as per article 10 of the Constitution. He further informed members that in conformity with Article 201 (d) of the Constitution and Section 46 (2) of the NG-CDF Act, Constituencies are required to focus on completion of ongoing projects before embarking on new ones. The Fund Account Manager thereafter called on the Deputy County Commissioner to make his remarks then later welcome the Member of Parliament to convene the public participation process.

Remarks by the Deputy County Commissioner

The Deputy County Commissioner welcomed the Member of Parliament and the entire NG-CDFC to the meeting including other Government Officers present. He thanked the members of public for having honored the invite and turned up in big numbers for the exercise which was very noble as it gives the constituents the opportunity of expressing their needs in terms of what they will require done in their specific locations and wards.

He further thanked the School heads for their commitment to 100% transition as per Government directive of ensuring students get to school and the good working relationship from the Sub County Director of Education's Office. This will promote good results for both the Schools and parents as there will be good infrastructure and learning environment and with bursary awards by NG-CDFC, the students will have nothing as an excuse but only studying.

The DCC called upon the heads of departments who were present to just greet the members and mention their names because of time as there was another scheduled meeting in the next ward where they will be given time to address the public and give their remarks. He went ahead to

welcome the Member of Parliament Hon Dr. Otiende Amollo to address the gathering and spearhead the process.

Remarks by the Member of Parliament.

The Member of Parliament first thanked the people of South Uyoma Ward for the confidence they have in him and his team further appreciated their coming on the invite so as to give their views on the projects intended to be carried out by his team in the next two years.

He informed member that since the year 2017/2018, several projects have been done in the ward covering a wide spread section in all the locations of Naya , Lieta and Ndigwa .

He informed the public of the guidelines and the requirement of NG-CDF Act 2015 and Provisions of Section 27(1) of the NG-CDF Act as amended in 2016 requires that the Chairperson of the Constituency Committee shall, within the first year of the commencement of a new Parliament and at least once every two years thereafter, convene open forum public meetings in every ward in the Constituency to deliberate on development matters in the ward and in the Constituency.....". Hence all legal provisions were to be followed as outlined and guided and being in the legal profession it was prudent if his Constituency lead by example. Members were further informed that the eligible projects are as outlined by the NG-CDF Act and the Fund Account Manager had elaborated well that they must be community based in order to ensure that the benefits are available to a widespread cross section of the inhabitant of a particular area.

Hon. Otiende stressed on ensuring that all the flagship projects started in the Constituency are given first priority as most of them dates back to financial year 2017/2018 and have taken more period than required by NG-CDF Board and it was now better if the projects could be handed over to the users for use. Secondly the issue of ongoing projects was also to take precedence so that they can be brought into use hence ensuring there was value for money. This ranged from classrooms construction, dormitories, laboratories, Chiefs Offices etc hence urged members of the public to concentrate on the same when giving their views.

He concluded by telling the Members that the exercise will be carried on in every Ward in the Constituency and that its only one venue which had been organized so as to adhere to the Ministry of health guidelines and urged members to always wash their hands with soap, sanitize and wear masks in public places in order to safeguard their health. The MP gave an open ground now to the members of the Public to mention their priorities with the Chairperson for NG-CDFC taking charge of the exercise.

Project Priorities Identified in the Ward

The table below shows a summary of proposal requests for South Uyoma ward as was highlighted by the participants.

S/NO	SCHOOL	SECTOR	ACTIVITY
1.	Agok Primary School	Environment	Construction of a 4-door pit latrine.
		Education	Renovation of 2No. Classrooms
2.	Kadundo Primary School	Education	Completion of fencing works.
			Renovation of 3No. Classrooms
	Kiswaro Primary School	Education	Completion of fencing works.

3.			Renovation of 2no. classrooms
4.	Lieta Assistant Chief's Office	Security	Construction of an assistant chief's office
5.	Lieta Primary School	Education	Renovation of 4No. Classrooms Fencing of the school compound
6.	Lieta Secondary School	Education	Construction of 1No. Classroom
7.	Agok University (Jaramogi Oginga Odinga University Of Science and Technology)	Tertiary	Fencing of Agok University plot and Sentry house finishing
8.	Ranyala Primary School	Education	Fencing of the school compound
9.	Agok Secondary School	Education	Completion of an administration block.
10.	Lweya Primary School	Education	Completion of a Classroom. Fencing of the school Compound.
11.	Madiany Special School for the mentally handicapped	Education	1.Tools and Equipment for practical's
		Road	2. Grading of the access road to the school
12.	Majango Primary School	Education	Fencing of the school compound.
13.	Malanga Primary School	Education	Fencing of the School Compound. Renovation of 2no. classrooms Construction of an administration block
14.	Mirau Primary School	Education	Completion of 2No. Classrooms
15.	Naya Primary School	Environment	Construction of a 4-door pit latrine and Renovation. Fencing of the School Compound
16.	Ndigwa Secondary	Education	Construction of a Dormitory
17.	Ndigwa Primary School	Education	Renovation of 2No. Classrooms
18.	Nyangoye Primary School	Education	Construction of a classroom
19.	Ndonyo Primary School	Education	Fencing of the school compound and renovation of 2 no. classrooms.
20.	Rabel Primary School	Education	Renovation of two classrooms and construction of 2No. classroom.

			Fencing of the school compound.
21.	Ramogi Achieng' Oneko Secondary	Environment	Construction of a 4No. door pit latrine and urinal.
22.	Sangla Primary School	Education	Provision of water tank
23.	Lieta Secondary School	Education	Provision of water tank
24.	Luanda Kotieno Primary School	Education	Construction of 2No. Classrooms.
			Purchase of additional piece of land.

Challenges that arose during the Process.

1. **Allocation of inadequate funds:** A member raised a concern of skewed allocation of funds to projects which in turn leads to stalling of some projects. He requested the NG-CDF office to ensure that adequate funds are allocated to enable a project be done to completion and thus fully meet the user needs and value for money. Members for instance suggested the increase of funding for one classroom from Kshs 700,000 to Kshs 900,000 or Kshs 1,200,000 where a new classroom is built to completion, tiled and fitted with at least 20 normal two seater wooden desks.
2. **Scope of fencing works:** One of School representatives requested that the scope of fencing works should include chain links and pre-cast concretes instead of metal bars and barbed wire alones. He defended his request by stating that the former offer more security than the later and that the value of money is realized over a long duration. Metal bars also are prone to theft where the perpetrators sell them to blacksmiths and metal vendors alias *Malimali* hence more harm and loss is likely to be caused on its use.
3. **Skilled Labour :** Lack of skilled manpower employed in the projects at PMC level which is occasioned by use of local content' where the Management committees engage fundis from the surrounding and there is always high likelihood of shoddy work being done especially where poor or lack of supervision is likely to be experienced.
4. **PMC Training & Capacity Building:** The Teachers representative cited lack of enough training on fund Management and project handling as its required by NG-CDF regulations hence need for the Office to ensure the same is done at least to equip members with knowledge of book keeping and even simple making of returns.

Remarks by the area Member of Parliament

After deliberations by the all members present, the Member of Parliament commended the process being all inclusive and people participatory which was only achievable through good organization by both his team and the provincial administration.

He appreciated the members for the effort that they put in the process and assured them that the challenges raised would be addressed through proper channels. He further stressed to the Fund Account Manager and his team to ensure all projects initiated are completed within a short period of time and that most projects to be done under one phase to enable them be in a usable state.

Being that there was another scheduled meeting in the day *Mheshimiwa* requested the Chairman NG-CDFC to give his closing remarks then proceed to the next venue.

Closing Remarks

The NG-CDFC Chairperson also thanked the members of public for their participation and assures them of the NG-CDFC and Constituency Offices commitment of serving them well during their period of tenure. He requested a member of the public to give a closing prayer as the meeting ended at 2.10 PM.

Photos

Figure 1: The Member of Parliament addressing the members.

WARD II: NORTH UYOMA WARD

The meeting took place on 16th September, 2021 at Kenya Medical Training Ground - Masala from 2:30pm.

Members

1. NG-CDF Committee Members
2. NG-CDFC Staff
3. Ward Representative
4. Area Chief(s)
5. Assistant Chief (s)
6. Members of the Public
7. Secondary School Head Representatives.
8. Primary School Head Representatives.

Preliminaries

The area chief welcomed members to the meeting after an opening prayer. He thanked the members for availing time to attend the forum and urged them to actively and wisely participate as the projects proposed would in turn meet some of the basic needs of the community once implemented. He gave an example of the Masala Campus of KMTC which when operational will see the surrounding community benefit a lot especially on rental houses, hostels for students, supply of commodities, employment opportunities etc. He welcomed the G-CDFC representative to carry on with the program.

Remarks by the NG-CDFC Secretary

The Secretary as a norm started by reading out the projects that had been implemented from the Financial Year 2017/2018 to date through the NG-CDF Funds. He then stated that the importance of going through the list was to inform the members of the execution of projects over the past and thus assist members in identifying schools and institutions that had not benefitted from the funds which were earmarked to be given preference. He then welcomed the chairperson of the NG-CDFC to give his comments.

Remarks by the Chairperson NG-CDFC

The Chairman started by asking members to stand and give a one minute silence in honour of Cllr Rtd James Ombuoro (RIP), a representative from the ward who died while serving as a NG-CDFC Member and male nominee of the Constituency Office. Dr Saoke pointed that the committee has lost one of its key pillar who had vast experience on matters of management and will be remembered for initiating and supporting projects especially Nyakongo Polytechnic among others. He went ahead to give apologies of the Member of Parliament who was in an earlier meeting in South Uyoma but got an urgent engagement and has travelled back to Nairobi

but wished to be at the venue. He informed the members that all the projects proposed in an open forum cannot be implemented at once but gradually hence the need of setting priorities. He stated that the law requires that ongoing projects take precedence over new ones and they should have that positive impact to the society. The Chairperson welcomed the Fund Account Manager to give his remarks and guide on the process.

Remarks by the Fund Account Manager

The Fund Account Manager thanked the members for honoring the invite to attend the public participation forum. He then informed members of the eligible projects as outlined in section 24 of the NG-CDF Act, being those that fall within the functions of the National Government under the Constitution. He stressed that this projects must be community based in order to ensure that the benefits are available to a widespread cross section of the inhabitant of a particular area. The members were encouraged to give consideration to proposals that foster sustainable development, promote human dignity and protection of marginalized as per article 10 of the Constitution. He further informed members that in conformity with Article 201 (d) of the Constitution and Section 46 (2) of the NG-CDF Act, Constituencies are required to focus on completion of ongoing projects before embarking on new ones.

The Fund Account Manager brought to the attention of members the Policy of the Board regarding project implementation which required completion of ongoing projects before embarking on new ones hence urged members of public to ensure the projects which have not been implemented to completion from their respective sub locations to be given preference during the exercise. He reminded the members present that the meeting covered all the sub locations of East Katwenga, West Katwenga, Ragengni, Ochienga and Masala hence reason why the crowd was more all convened at Masala.

Being that the weather condition was not conducive the Fund Account Manager thanked the other officials present and requested them to just say mention their names and area of work/ designation then proceeded to request members to give priorities of their intended projects as the secretary noted them down.

Project priorities identified in the ward

The table below shows a summary of proposal requests for North Uyoma ward as was highlighted by the participants.

S/NO	SCHOOL	SECTOR	PROJECT ACTIVITY
1.	Langu Primary School	Education	Completion of a Classroom.
2.	Kenya Medical Training College – Rarieda Campus	Tertiary	Completion of an administration block. Completion of a males and females hostel. Construction of toilets and washrooms for the students, administrators and lecturers.

			Grading and murraming of the access road to the campus.
			Provision of water and internet connectivity for the campus.
			Provision of security guards for the school to ensure safety of the campus.
3.	Manywanda Primary School	Education	Completion of a Classroom.
4.	Ndhere Primary School	Education	Completion of a classroom.
5.	Tanga Primary School	Education	Completion of a Classroom.
6.	Wera Primary School	Education	Completion of a Classroom.
7.	St. Phillip's Wera Special Unit	Education	Construction of 3No. Classrooms
8.	Rageng'ni Girls Sec.	Environment	Construction of a 4-door pit latrine.
		Education	Construction of Classrooms
			Construction of a Dormitory, Purchase of lockers and double decker bed.
			Fencing of the school compound using chain link and concrete posts
9.	Chianda Primary School	Environment	Construction of a 4-door pit latrine
		Education	Renovation of 3No. Classrooms. Completion of a staff house.
10.	Dagamoyo Primary School	Environment	Construction of 3No. Door Pit Latrine Renovation of 2no. classrooms
11.	Kolo Primary School	Education	Construction of 3No. Classrooms
12.	Lusi Primary School	Education	Renovation of 8No. Classrooms
			Fencing of the school compound

13.	Masala Mixed Secondary School	Education	Completion of a laboratory
14.	Masala Primary School	Environment	Construction of 4No. Door Pit Latrine.
		Education	Renovation of 2no. classrooms.
15.	Migowa Primary School	Environment	Construction of a 4-door pit latrine
16.	Mirau Primary School	Education	Completion of 2No. Classrooms ongoing. Road grading from main road to the School.
17.	Mituri Primary School	Education	Construction of 2No. Classroom
18.	Nyamasore Primary	Environment	Construction of a 6-door pit latrine. Fencing of the school compound
19.	Ochienga Assistant's Chief's Office	Environment	Construction of 4No. Door Pit Latrine
20.	Ragengni Primary	Environment	Construction of a 8-door pit latrine.
21.	Ragengni Primary	Education	Renovation of 2 classrooms
22.	Ochienga Primary School	Education	Fencing of the School Compound

24.	Wayaga Primary School	Education	Renovation of 3No. Classrooms and an Administration Office
25.	Kasiri Primary School	Education	Completion of an Administration Block
26.	Kaminogedo Primary School	Education	Provision of water tanks
27.	Malanga Primary School	Education	Provision of water tanks
28.	Memba Primary School	Education	Provision of water tanks
29.	Mirando Primary School	Education	Provision of water tanks
30.	Ndonyo Primary School	Education	Provision of water tanks
31.	Nyamasore Secondary School	Education	Completion of 1No. Classroom

			Fencing of the School Compound
--	--	--	--------------------------------

Challenges that arose during the process.

1. **Late disbursement of funds:** A member raised an issue on the late disbursement of project funds which in turn leads to projects not being implemented in time. This in turn leads to an escalation in the project costs due to unavoidable economic factors such as inflation.

The Fund Account Manager addressed this challenge by explaining to the members that priorities will be and should be given to ongoing projects once funds are received from the NG-CDF Board in order to ensure the projects are completed in time.

2. **Little allocation of funds:** Members also raised concerns on the skewed allocation of funds to complete one project giving an example of the KMTC which was started in 2017/2018 financial year and has since not been completed to date. Most time the contractors are not on site for even 8 months due non allocation of sufficient funds towards project implementation. This also has been seen at Kisumu National Polytechnic Nyakongo Campus of West Uyoma Ward.
3. **Operationalization of Projects:** Projects have taken long in the ward since they were started hence members were concerned when they will be brought into use to obtain value for money and projects to serve their intended purposes.
4. **Security of Projects:** It was a great concern in the area about insecurity which has made some projects to lag behind example being installation of water tanks and gutters/ fittings at the KMTC ground on fear of them being vandalized. Members asked the Provincial Administration ensure security was guaranteed even through the *Nyumba Kumi* initiative which will assist before private security is employed upon opening of the institution.

Closing Remarks

The Chairman KMTC PMC was asked to give closing remarks and he requested the NG-CDF Office to try and ensure that KMTC and Kisumu Polytechnic projects are completed and made operational in this year as they had taken a lot of time. He thanked members of public for having come from all the sub locations to ensure their views are heard hence urged the NG-CDFC to take note of the same by ensuring at least something is implemented in each location if not sub location.

The meeting then ended with a word of prayer from a member at 5.10 PM.

Figure 1: Members during the Public Participation.

Figure 2: Members during the meeting.

WARD III: WEST UYOMA WARD

Introduction

The meeting took place on 17th September, 2021 at Kisumu National Polytechnic (Nyakongo Campus Grounds) from 11:00am.

Members

1. The Area Member of Parliament
2. The Deputy County Commissioner
3. NG-CDF Committee Members
4. NG-CDFC Staff
5. Ward Administrator
6. Area Chief(s)
7. Assistant Chief (s)
8. Members of the Public
9. Secondary School Head Representatives.
10. Primary School Head Representatives.

Preliminaries

The area chief welcomed members to the meeting after an opening prayer. He thanked the members for availing themselves during the exercise. The chief went ahead to invite the chairperson of the NG-CDFC to guide in the process. The chairperson requested the secretary to give his remarks before he could give his guidance.

Remarks by the NG-CDFC Secretary

The Secretary started by reading out the projects that had been implemented from the Financial Year 2017/2018 to date through the NG-CDF Funds. He then stated that the importance of going through the list was to inform the members of the execution of projects over the past and thus assist members in identifying schools that had not benefitted from the funds. He then welcomed the chairperson of the NG-CDFC to give his comments.

Remarks by the Fund Account Manager

The Fund Account Manager thanked the members for honoring the invite to attend the public participation forum. He then informed members that eligible projects as outlined in section 24 of the NG-CDF Act, are those that fall within the functions of the National Government under the Constitution. He stressed that these projects must be community based in order to ensure that the benefits are available to a widespread cross section of the inhabitant of a particular area. The members were encouraged to give consideration to proposals that foster sustainable development, promote human dignity and protection of marginalized as per article 10 of the Constitution. He further informed members that in conformity with Article 201 (d) of the Constitution and Section 46 (2) of the NG-CDF Act, Constituencies are required to focus on completion of ongoing projects before embarking on new ones. The Fund Account Manager thereafter called the Chairperson to convene the public participation process.

He urged the members to observe the regulations put in place by the Ministry of Health in regards to COVID-19. Thereafter he invited the Chairperson of NG-CDFC to give his remarks.

Remarks by the NG-CDFC Chairperson

The chairman thanked the constituents for attending the meeting on invite and asked members to honour one of the committee members Mr Omburo James who had passed on and was a key member of the Committee by a minute of silence. He commended the works that were done and guided by him especially on matters of projects implementations and his roles played in establishment of Nyakongo Polytechnic. He reiterated the relevance of the meeting and the need for NG-CDFC to convene open forum public meetings in every ward in the constituency to deliberate on development matters and project priorities in the ward and the constituency. He encouraged the member of the public to be free to mention their proposals.

Remarks by the Deputy County Commissioner

He welcomed the members to the meeting and pointed out the importance of community involvement in any development process and the benefits of the bottom up projects identification process.

He thanked the area Chiefs and their assistants for the good work they do especially on the issue of bursary that they were participating in the vetting process without forgetting security of mwananchi in their respective areas of jurisdiction.

Being that there was extensive program still ahead the DCC welcomed the Member of Parliament to give his remarks then proceed with the identification of the projects.

Remarks by the Member of Parliament.

The Member of Parliament pointed out that the impact of NG-CDF cannot be underrated as it transforms people's lives in the community. It has facilitated the construction of various infrastructural developments and giving out of bursary with its role being on Education and Security. He therefore reiterated that the public should champion for the protection and retention of the fund as much as possible. On health issues the Member of Parliament reminded members of the current state of Covid -19 in the world and Country which he urged them to be cautious by taking precautions and adhering to guidelines set by the Ministry of Health. He further encouraged members to go for vaccination which was being administered at Madiany health Centre and Lwak health Centre's respectively

On this program the Member of Parliament expressed his concerns on completion of ongoing projects before embarking on new ones and informed them of projects which are eligible for funding and that are for National Government but in some instances some projects require co funding as they were benefitting the constituents.

Project Priorities Identified in the Ward

The table below shows a summary of proposal requests for West Uyoma ward as was highlighted by the participants.

S/NO	SCHOOL	SECTOR	PROJECT ACTIVITY
1.	Got Okola Primary	Environment	Construction of a 6-door pit latrine.
2.	Kisumu National Polytechnic – Rarieda Campus	Tertiary	Construction of workshops for the Institution Construction of gate, fencing to separate and re-enforce the compound. Construction of a staff quarter
3.	Bar Kongonga Primary School	Education	Fencing of the school compound Construction of 1No. Classroom
4.	Gagra Secondary	Environment	Construction of a 4-door pit latrine. Renovation of 2No. Classrooms. Construction of 1No. Classroom.
5.	St. Sylvester's Girls Secondary School	Education	Construction of 2No. classrooms Construction of a modern Science Laboratory
6.	St. Anthony Pala Kobong Secondary School	Education	Completion of a laboratory
7.	Komolo Primary School	Education	Fencing of the school compound and renovation of 4 classrooms
8.	Nyakongo Girls Secondary School	Education	Construction of 2No. Classrooms
9.	Wagoro Primary School	Education	Renovation of 8No. Classrooms or Construction of a classroom.
10.	Rachar Secondary School	Education	Completion of 1No. Classroom
11.	Tuju Primary School	Education	Construction of 2No. Classrooms.
12.	Tuju Primary School	Education	Fencing of the school compound
13.	Nyabera Secondary School	Education	Completion of a laboratory

WARD IV: WEST ASEMBO WARD

Introduction

The meeting took place on 18th September, 2021 at Mahaya TFI Grounds from 11:00am.

Members

1. NG-CDF Committee Members
2. NG-CDFC Staff
3. Ward Administrator
4. Area Chief(s)
5. Assistant Chief (s)
6. Members of the Public
7. Secondary School Head Representatives.
8. Primary School Head Representatives.

Preliminaries

- The area chief brought the meeting to order after which he requested a volunteer to lead the group in a word of prayer. He welcomed the members to the meeting and introduced the members of the ward. He then requested the Secretary of NG-CDFC to give his remarks before welcoming the Chairperson of NG-CDFC.

Remarks by the NG-CDFC Secretary

The Secretary started by reading out the projects that had been implemented from the Financial Year 2017/2018 to date through the NG-CDF Funds. He then stated that the importance of going through the list was to inform the members of the execution of projects over the past and thus assist members in identifying schools that had not benefitted from the funds. He then welcomed the Fund Account Manager to give his remarks.

Remarks by the Fund Account Manager

The Fund Account Manager informed the members on the nature of eligible projects fundable by the NG-CDF as community based to ensure that the prospective benefits are available to a widespread cross-section of the inhabitants of a particular area. He requested the NG-CDFC and the ward coordinators to jointly work together and share ideas that may best improve the livelihood of the community at large. He then welcomed the chairperson of the NG-CDFC to give his remarks.

Comments by the NG-CDFC Chairperson

The NG-CDFC Chairperson enlightened the members by stating that public participation is very essential in decision making by the NG-CDFC: as it enhances equitable distribution of resources across the wards depending on their needs and thus improves quality of service delivery. He then went ahead and guided the members in the process.

WARD V: EAST ASEMBO WARD

Introduction

The meeting took place on 20th September, 2021 at Bwaja- Proposed Rarieda Science Teachers College Grounds from 11:00am.

Members

1. NG-CDF Committee Members
2. Assistant Constituency Manager
3. Sub County Education Officials
4. NG-CDFC Staff
5. Area Chief(s)
6. Assistant Chief (s)
7. Members of the Public
8. Secondary School Head Representatives.
9. Primary School Head Representatives.

Preliminaries

The Ward Co-coordinator called the meeting to order and called upon one volunteer to lead in opening prayer and requested the area chief to give his remarks.

The Chief thanked the members for coming for the function and went ahead and welcome the NG-CDFC members to give their remarks.

Remarks by the NG-CDFC Representative

The NG-CDF C representative started by reading out the projects that had been implemented from the Financial Year 2017/2018 to date through the NG-CDF Funding. She then stated that the importance of going through the list was to inform the members of the execution of projects over the past and thus assist members in identifying schools that had not benefitted from the funds. He then welcomed the Fund Account Manager to convene the process.

Remarks by the Fund Account Manager

The Fund Account Manager thanked the members for honoring the invite to attend the public participation forum. He then informed members of the eligible projects as outlined in section 24 of the NG-CDF Act, being those that fall within the functions of the National Government under the Constitution. He stressed that this projects must be community based in order to ensure that the benefits are available to a widespread cross section of the inhabitant of a particular area. The members were encouraged to give consideration to proposals that foster sustainable development, promote human dignity and protection of marginalized as per article 10 of the Constitution. He further informed members that in conformity with Article 201 (d) of the Constitution and Section 46 (2) of the NG-CDF Act, Constituencies are required to focus on completion of ongoing projects before embarking on new ones.

The Fund Account Manager brought to the attention of members the Policy of the Board regarding project implementation which required completion of ongoing projects before embarking on new ones hence urged members of public to ensure the projects which have not been implemented to completion from their respective sub locations to be given preference during the exercise. He then welcomed the Member of Parliament to give his remarks and allow the rest of the program to continue.

Remarks by the area Member of Parliament

The MP appreciated the members for the effort that they put in the process and assured them that the projects identified and listed would be addressed and most of them implemented in the year 2021/2022. He further stressed to the Fund Account Manager and his team to ensure all projects initiated are completed within a short period of time and that most projects to be done under one phase to enable them be in a usable state.

He informed the Members that the exercise had been started in South Uyoma in the last 4 days and was coming to an end in this ward. On the issue of land compensation for proposed establishment of Rarieda Science Teachers College Bwaja , the Member of Parliament reminded members that they had agreed on the owners donating land free but only be given token of appreciation which was not to be regarded as purchase price. The MP asked the proposed Project Management Committee to put heads together and communicate to the Fund Account Manager so as finalise the matter so that the fencing process can commence.

38.	Wera Secondary School	Education	Provision of a water tank

Challenges that arose during the process.

1. **Late disbursement of funds:** A member raised an issue on the late disbursement of project funds which in turn leads to projects not being implemented in time. This in turn leads to an escalation in the project costs due to unavoidable economic factors such as inflation.
2. **Delayed commencement of Project:** Members were concerned on the delayed commencement of the projects eg Proposed Rarieda Science Teachers College whose process was started back in 2018 to date.
3. **PMC Training & Capacity Building:** The Teachers representative cited lack of enough training on fund Management and project handling as its required by NG-CDF regulations hence need for the Office to ensure the same is done at least to equip members with knowledge of book keeping and even simple making of returns.
4. **Bursary allocation to Institutions:** The members were also concerned about the amounts of bursary allocated to schools and institutions with suggestions of increased allocation to be considered by NG-CDFC.

Figure 1: The Area Member of Parliament addressing the Public.

Closing Remarks

The Member of Parliament took the opportunity to thank all the members for taking their time and showing commitment towards developing the constituency. He urged the members to cooperate with the NG-CDFC so as to make the constituency the best in terms of development in the County and Region.

The Chairman of the NG-CDFC commended hardworking members of the NG-CDFC and PMC for the proper management of the funds. He promised the public that he will ensure that all the projects show the aspect of value for money.

The meeting ended with a word of prayer from a member of the public at 4:25 PM.
