IEBC NUMBER 239

CONSTITUENCY DEVELOPMENT FUND

WARD REPORT

2018-19/2019-2020 FINANCIAL YEAR

SUBMITTED
AUGUST 2018

30

0.0 Introduction or Background

0.1 About CDF

CDF is Constituency Development Fund which is supervised by the National Government through a board constituted by the National Government under the Act 2003 to address poverty at the grass root level. This ACT was then amended in 2007 and later in 2013. This fund is managed and supervised by the board

0.2 About Kisumu West

Kisumu West Constituency is constituency No. 239 which is headed by Hon. John Olago Aluoch as the MP. This constituency was constituted in 2013 and is composed of 5 wards namely: Central, South West, North, West and North West Kisumu Wards. Kisumu West Constituency has a population of 127,000 people subdivided in 21 sub locations. There are residents from different places and also those that originate from the area. The constituency borders Seme Constituency, Vihiga Constituency, Kisumu East Constituency and Kisumu Central Constituency. The Constituency also borders the lake and the main activities are fishing, sand harvesting and quarrying. Kisumu West Constituency is also lucky to have a Maseno university within it.

1.0 Projects funding in the previous financial year

1.1 Sectorial analysis of complete and ongoing projects

During financial year 2014/15 – 2017/18 Kisumu West CDF received a total of Kshs 482,255,647.07M from the CDF board. The funds were mostly disbursed to PMC's and approximately 80% of the projects are complete and in use.

1.0 Ward meetings

1.2 KISUMU NORTH WARD

2.1.01. The meeting was conducted in Nyahera Chief's office on and Mkendwa Primary school on 13/8/2018 after a three days radio announcement in the local stations and sensitization through the chiefs' offices in the respective ward.

2.1.02. The attendance list of those present in attached and we were happy to have the County ward administrator present Mr. Jacob Oliech Ogony, CDFC members were also present, and the MP representative Mr. Hamisi Shamba was also present.

2.1.03. The Chairman CDF graced the occasion by telling the members present the reason of this meeting. He informed members on the need to identify projects of their need and also own them when they have been constructed.

2.1.04. The chief present Mr. Peter Omoth Omoth Anyange thanked the members who had turned out in good numbers even though it was not the required number and urged the meeting to proceed ensuring the security of the members present. The ward administrator thanked the CDF office for doing this activity in his ward and urged members to consider working together with both offices i.e County office and CDF office for the betterment of the

community. He also promised to do the same in ward levels in order to reach the people and get their views.

2.1.05. The FAM also thanked the members for attending this occasion and congratulated the ward administrator for his presence because this would help marry the projects during implementation. He also took members on how CDF works and on which projects CDF can do and the ones CDF cannot do. The FAM informed members that projects related to health, ECD, Polytechnic are devolved and cannot be done by CDF. He informed members that only those that had been started would be done to completion.

2.1.06. The CD/FC ward representative of the ward took members through their request of 2018 and those that had come to the office thereafter. He also informed the members on the projects which are already done and to the level which they have reached.

2.1.07. Community members were subdivided into their sub locations to identify their projects and prioritize them. These projects were put together to be the ward projects for the financial year 2018/2019. The following are the projects proposal submitted by the community for considerations.
