MIN: 105/13/11/2024: WARD REPORTS

The committee having visited all the wards (Awasi/Onjiko, East Kano/Wawidhi, Ahero, Kobura and Kabonyo/Kanyagwal) from 22nd October to 26th 2024 to engage the community in proposing projects: the following were major concerns of the citizens:

1. Rehabilitation of classrooms in schools. Majority of the classrooms were found to be over twenty years with rusted and leaking roofs the require urgent replacement. The floors and walls also require plastering, tiling and painting. It was however noted that Nyando NG-CDF had previously done quite some work.
2. A number of schools also needed sanitary facilities to match the student number
3. Some schools needed new classrooms and offices
4. Other schools had accessibility problems owing to poor roads in the constituency
5. Some institutions need water to be drilled
