The committee convened a final meeting to review the submissions received from the wards during the meetings held from 15th October to 17th October 2019.

1. INTRODUCTION

Nyakach constituency is an electoral area within Kisumu County in Kenya. The constituency has five county assembly wards. The constituency covers over 356 KM² including approximately 71 KM² of the Lake Victoria water surface. The constituency had a population of 133,041 as per the census report of 2009. This is likely to have grown based on the national development indices. The constituency is currently represented in parliament by Honourable Aduma J. Owuor who is serving a second term. The main economic activity in the constituency is agriculture and fishing including livestock farming.

The constituency has 141 public primary schools and 50 public secondary schools with enrolments of over 45,000 pupils and 15,000 students respectively.

The current NGCDF Act 2015 gives the committee mandate on matters mainly to do with education and security. The committee was guided by the foregoing in drawing up this proposal.

2. THE PROJECTS PROPOSALS

Pursuant to the National Government Constituencies Development Act 2015, Section 27 and Regulations (13), Mr. Joel Onono Odongo, the Chairman of the National Government Nyakach Constituency Development Fund Committee convened open forum meetings in the five wards:

1. North Ward,
2. Central Ward,
3. South East Ward,
4. South West Ward
5. West Ward

The meetings were held from 15th October to 17th October 2019. Tables 1 to 4 summarises the meetings proposed projects. The communities' development agenda were discussed especially in relation to the on-going and new projects and any emerging development needs. However the emphasis of the meetings was on the on going projects spread out in the constituency in line with section 27 of the Act.

The committee resolved to consider the following projects for submission to the board in the current financial year 2019-2020. The committee took into account equity and the past allocations to the five wards.
