Min Ng-cdf Rangwe 004/10/09/2021 : Pending On-going Projects.

Members discussed at length on the ongoing projects that were yet to be actualized. After fact findings on various ongoing projects, members resolved as follows;-

The ongoing Achego Primary School as it is we since realized that the structures were erected on someones land with no title deed and the owner is currently reclaiming his piece of land rendering it difficult to continue with the project.

The dormitories at St. Josephine Bakhita Girls Secondary School were already done by the school which later in their request, requested for the construction of a new dormitory which we have since captured in our current proposal.

The ongoing project at Kachar Girls Secondary School was also completed by the school which prompted them to request for a school bus which we later captured in the 2020/2021 financial year

4.1.07 Way-forward

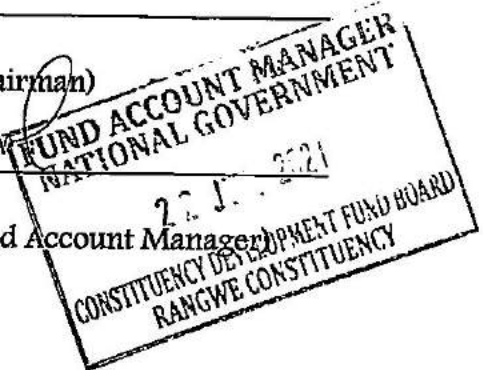

There is need for a heightened grassroots capacity building and awareness creation on the roles of each type of Government as per the 4th Schedule of our Constitution.
