1.0 ABOUT NG-CDF

The Constituencies Development Fund (CDF) was established under the Constituencies Development Fund (CDF) Act, 2003, amended in 2007 and repealed by the CDF Act of 2013. In 2015, the CDF Act of 2013 was declared unconstitutional and a new Act was enacted in 2015, being the National Government Constituencies Development Fund Act, NG-CDF Act, 2015. The National Government Constituencies Development Fund (NG-CDF) is under the Ministry of Devolution and Planning.

The Constituency Development Fund (CDF) was introduced in Kenya in 2003 with the passage of the CDF Act 2003 by the 9th Parliament of Kenya which was repealed in 2013 by the CDF Act 2013. The CDF Act provides that the government set aside at least 2.5% of its ordinary revenue for disbursement under the CDF program.

The fund was designed to support constituency-level, grass-root development projects. It was aimed to achieve equitable distribution of development resources across regions and to control imbalances in regional development brought about by partisan politics. It targeted all constituency-level development projects, particularly those aiming to combat poverty at the grassroots and entrench equitable distribution of development.

The objective of the Fund is to provide mechanisms for supplementing implementation of the National Government development Agenda at the constituency level.

The CDF program has facilitated the putting up of new water systems, health and education facilities in all parts of the country, including remote areas that were usually overlooked during funds allocation in national budgets.

1.1 BACKGROUND INFORMATION – NDHIWA CONSTITUENCY

1.1.1 Introduction

Ndhiwa **Constituency** is an electoral constituency in Kenya. It is one of the constituencies in Homabay County whose current Member of Parliament is Honorable Martin Peters Owino.

Ndhiwa Constituency Details:

- **Constituency Number:** 250
- **Constituency Population:** 298, 080
- **Constituency Area In Sq. Km (Approx.):** 702

County Assembly Wards in Ndhiwa Constituency:

- North Kabuoch
- South Kabuoch
- Kologi
- Kosewe
- Kwabwai
- Kanyidoto
- Kanyikela

Three handwritten signatures in blue ink are present on the page. One is located above the list of wards, another is to its right, and a third is below the list.

The **Ndhiwa** NG-CDFC has received funding from CDF Board for all the previous financial years and the funds have mainly been used in the following areas with percentages varying from year to year depending on the budget ceiling, CDF Board guide and priorities of the wards;

1. Bursary
2. Education
3. Health
4. Sports
5. Environment
6. Roads
7. Provincial Administration

1.1.2 Key Development Challenges in the Constituency related to key function of under NG-CDF Programme and beyond

Low Literacy Levels: The constituency has low literacy levels at

23.6 per cent. This is as a result of early marriages, female genital mutilation and exploitation of women among other negativevices. Other factors include absenteeism by pupils to attend homechores and in some instances shortage of role models. Staffing levels are low with teacher/pupil ratio of 1:66 and 1:22 at the primary and secondary levels respectively. Interventions need to be put in place to fully address both socio-economic and cultural factors affecting education with special interest in girl-child education.

Inadequate School Infrastructure: Most of the schools (especially secondary) lack adequate learning facilities and equipment. This has greatly affected the quality of education in the constituency which is clearly reflected by the performance in the national examinations. To improve the current education status, concerted efforts by all education stakeholders in the constituency to address both physical infrastructure and learning facilities will be enhanced.

Environmental Degradation: Continued charcoal burning, tree cutting, overgrazing and overstocking have led to massive environmental degradation. A proper waste disposal system is lacking in all market centres. This has led to non-degradable waste accumulation in the market centres.

Insecurity and Clannism: There have been increased cases of insecurity which manifests itself in form of inter-clan conflicts caused by fighting over resources such as land, water and grazing land.

Inadequate Water Supply and Sanitation: The constituency is faced with acute water scarcity with only 40 per cent of the population having access to safe water. Most of the constituency population lives in rural areas and mostly uses unsafe water direct from the laggas, boreholes, shallow wells and pans. The average distance to the nearest water point is 35 Km. Water tracking has aided in providing water to settlements experienced with acute water problem.

Poor Roads: The constituency has a poor road network consisting of only earth surface roads. Roads are the most common mode of transport in the constituency despite their poor state. The entire feeder road network is in bad condition. All roads are rendered impassable during rainy season thus curtailing all movements by road within the constituency.

Inadequate Health Facilities and Services: Provision of health services is affected by the few health facilities available within the county. The doctor patient ratio is 1: 132,000 which is very low comparing with the national ratio of 1:5,000. There is need for the county government to invest in more doctors. Due to scarcity of the facilities, residents travel long distances to access health services with an average distance to the nearest health facility being 30Km. In addition, poor road network leadsto many patients opting to forgo treatment. There is need, therefore, to put up staff houses and equip more health facilities so that community access healthcare within 10 Km.

Low Agricultural and Livestock Production: Low agricultural productivity has been witnessed in the constituency. Lack of access to farm inputs such as fertilizers, improved seed varieties, pesticides, machinery, and water shortage for effective irrigation form the bottlenecks to increased farm productivity. Poor access to markets for local farmers to sell their produce and earn income maintains them in the vicious cycle of poverty. The constituency lacks processing plants for value addition to agricultural and livestock products. The value addition is expected to increase products penetration to the wider markets.

Food Shortage: A large percentage of the constituency population (82%) is food poor. This is caused by over reliance on rain fed farming, poverty, lack of modern farming methods and high dependency on relief food. There is, therefore, need to introduce modern farming methods such as green houses and provide sufficient water for irrigation farming.

Poor Access to Markets: Due to poor state of the road infrastructure, markets are inaccessible especially during the rainy season. This leads to agricultural and livestock produce not reaching to the markets in time hence huge loses to farmers. Inadequate market information is a big hindrance to market access and also price trends.

The constituency lacks appropriate technology and skills to process and preserve agricultural and dairy products. Lack of market information and skills amongst the farmers and business community has hampered the expansion of the market for products from the constituency. Poor storage facilities affect production with 90 per cent of farmers using traditional storage methods. Inactive farmers, cooperative societies and associations coupled with poor roads are a hindrance to the marketing process. Livestock farmers are forced to bear with exploitative middlemen due to the lack of proper marketing strategies and cooperative movement in the constituency. There is need to strengthen farmers,, institutions to improve marketing of farm and livestock products.

The bottom of the page features three handwritten signatures in blue ink. The signature on the left is a large, stylized cursive signature. The middle signature is smaller and appears to be 'Hamed'. The signature on the right is another cursive signature, possibly 'A. B. I.' or similar.

Human Wildlife Conflicts: The constituency lacks protected wildlife conservancy hence increased cases of human wildlife conflicts exhibited through snake bites, attacks of livestock by hyenas and lions. The common wildlife types are gazelles, giraffes, hyenas, ostrich and lions which are left to move freely. There is need to establish a protected area to avert these conflicts.

Land Ownership: All land in the constituency is held in trust by the government hence populace hold no title deeds. This limits farmers' capacity to develop their land for sustainable development. Consequently, this has led to poor land use systems leading to environment degradation. Land adjudication, survey and issue of title deeds should be addressed urgently.

1.1.3 Eligible Projects Fundable as per NG-CDF Act 2016

The eligible project fundable by NG-CDF as stipulated in section 24 of the NG-CDF (Amendment) Acts 2016 as those that are in:

- Respects of works and services falling within the function of the National Government under the constitution
- Must be community best to ensure that the prospective benefits are available to a wide spread cross-section of the inhabitants of a particular area.

1.1.4 The eligible projects include:

- Projects support religious bodies or religious activities
- Project supporting political bodies or political activities
- Recurrent costs of completed projects
- Personal awards
- Projects targeting a specific club or group of people to the exclusion of others
- Projects addressing devolved functions as outlined in the fourth schedule of the constitution of Kenya

1.1.5 Establishment of Ndhiwa NG-CDF Committee

The Ndhiwa Constituency Development Fund Committee is established under the National Government Constituencies Development Fund Act of 2015. The Committee is expected to play the following roles:

- Allocation of funds to various projects, determining the quantum of installments to various projects in the constituency, taking into account the disbursement received and the requirement of different projects;
- Submission of a list of constituency based projects to the National Government Constituencies Development Fund Board within the stipulated time;
- Determination of the allocation of the emergency reserve in accordance with the NG-CDF Act, 2015;
- Making appropriate consultations with the relevant Government departments to ensure that cost estimates for the projects are as realistic as possible; and

- Ranking the constituency projects in order of priority, among other activities.

1.1.6 Implementation of Projects in Ndhiwa

As has been stipulated in NG-CDF Act 2015, the Ndhiwa Chairperson of the NG-CDFC, has been convening open forum public meetings in the seven (7) wards of the constituency to deliberate on development matters in the ward and the constituency. Each Ward prepares a list of priority projects and submits to the NG-CDF for deliberations. All the NG-CDF projects are implemented by the project management committee with the assistance of the relevant department of Government officers.

1.1.7 Review of Key Achievements

Between 2017 and 2022, the Ndhiwa Constituency Development Committee disbursed a total of Kshs. 411,266,637 million towards the implementation of various projects in the sectors of Education, Security, Environment, Sports and Bursary. All the projects were done to completion and currently in use.

To improve on retention rates, a total of Kshs. 100 million was used as bursary to assist needy students continue with their education at both secondary and tertiary schools. The constituency allocation for bursary has been increasing since 2013/14, from Kshs. 7.6 million to Kshs. 20.5 million in 2016/17, representing 169.7 per cent increase.

1.1.8 Major Lessons Learnt

- Bottom-up approach in priority identification enhances project/programme ownership;
- If well managed, devolved funds can go a long way in improving accessibility, affordability and availability of services to communities. This would in turn improve the living standards of the constituents;
- The fund has empowered the Ndhiwa Community to realize their felt needs in development;
- The fund has accelerated development at the grass-root level; and
- Devolved funds have the capability of easing social burdens e.g. payment of school fees, protection of water wells/springs protection.

2.0 RATIONALE FOR PUBLIC WARD FORUMS

The NG-Constituency Development Act 2015 as amended in 2022 provides that the chairperson of the shall within the first year of the commencement of a new Parliament and at least once every two years thereafter, convene open forum public meetings in every ward in the constituency to deliberate on development matters in the ward and in the constituency. The Committee shall deliberate on project proposals from all the wards in the constituency and any other projects which the Constituency committee considers beneficial to the constituency, including joint projects with other constituencies, consider the national development plans and policies and the constituency strategic development plan, and identify a list of priority projects, both immediate and long term, out of which the list of projects to be submitted in accordance with the Act shall be drawn.

Handwritten signatures in blue ink at the bottom of the page.

Public participation encompasses a range of procedures and methods designed to consult, involve, and inform the public to allow stakeholders that would be potentially affected by a decision or policy to have input into the development programmes.

Stakeholders play a central role in setting up priorities and objectives of development programmes in order to ensure relevance and appropriateness. The NG-CDF Committee through public participation identifies public concerns and values that will help them develop a broad consensus on sustainable programmes in the constituency. The Chairperson shall therefore ensure adequate consultation with local leaders and shall publicize public ward meetings so as to reach as many constituents as possible. The main purpose for the public forum is to;

- Sensitize the community on matters NG-CDF especially on the key mandate and functions adducible to the Fund
- Give the community opportunity to deliberate on development matters in the wards and in the constituency.

The expression and harmonization of the mentioned challenges informs key programmes to be considered for Funding through NG-CDF Programmes in the constituency. For clarity and confirmation of the same, NG-CDF Committee undertook public ward forums that was scheduled for 29th November 2022 to 8th December 2022. The exercise was carried out for seven days covering all the seven wards in the constituency namely Kologi, North Kabuoch, South Kabuoch, Kanyikela, Kanyadoto, Kwabwai and Kosewe as per the notice below

3.0 NOTICE OF THE MEETINGS

PUBLIC NOTICE

This is to notify the general public that as per the requirement of NG-CDF Act 2015 and Provisions of Section 27(1) which requires that the Chairperson of the Constituency Committee shall, within the first year of the commencement of a new Parliament and at least once every two years thereafter, convene open forum public meetings in every ward in the Constituency to deliberate on development matters in the ward and in the Constituency. The Committee will be holding the said meetings for the purpose of identifying projects for funding in 2022-2023 financial year.

The program of events was as follows:

DATE	TIME	WARD	VENUE
29/11/2022	10:00am	Kologi	Ndere Primary School
30/11/2022	10:00am	North Kabuoch	Aluor Primary School

01/12/2022	10:00am	South Kabuoch	Pala DO's Office
02/12/2022	10:00am	Kanyikela	Ongaro Chief's Office
05/12/2022	10:00am	Kanyadoto	Ralang' Primary School
06/12/2022	10:00am	Kwabwai	Got Kojowi Primary School
07/12/2022	10:00am	Kosewe	Ndisi Primary School

3.1 WARD 1: KOLOGI

The meeting took place on Tuesday 29th November 2022, at Ndere Primary School at 10:32a.m .

3.1.1 MEMBERS PRESENT

- ❖ NG-CDF Committee
- ❖ Area Member of National Assembly
- ❖ Deputy County Commissioner
- ❖ Assistant County Commissioner 1
- ❖ Member of County Assembly
- ❖ Area Chiefs an Assistant Chiefs
- ❖ Area Elders
- ❖ Secondary Schools Heads Representative
- ❖ Primary Schools Heads Representative
- ❖ Invited Stakeholders

3.1.2 PRELIMINARIES

The area chief welcomed members to the meeting after an opening prayer, he thanked the NG-CDFC for presenting the constituents with an opportunity of identifying projects to be funded by NG-CDF, for this was going to promote ownership of the projects before, during and after implementation.

3.1.3 COMMENTS BY THE FUND ACCOUNT MANAGER

He mentioned to the meeting the relevance of the forum as stipulated in the NG-CDF ACT 2015, and the nature of projects fundable by NG-CDF, to include projects that are communal and benefit a wide cross section of the inhabitants, leaving out project that benefit individuals,

supporting political and religious bodies and those that are in respect of works and services falling within the devolved functions of the county government

3.1.4 COMMENTS BY THE NG-CDFC CHAIRMAN

He enlightened the meeting of the various devolved funds in the constituency, and stressed the need of all the stakeholders to come together during planning to avoid duplication and double funding of projects. He called upon the County Government and KeRRA to share their development projects publicly to enable the constituents be aware of projects being implemented in their areas.

3.1.5 COMMENTS BY THE AREA MEMBER OF NATIONAL ASSEMBLY

The MP impressed upon the members present to continue sensitising the public, on bursary application and focus on development issues by putting politics at bay. He further informed the members that all the projects cannot be implemented at once but gradually hence the need of setting priorities.

3.1.6 PROJECT PRIORITIES IDENTIFIED IN KOLOGI WARD

The Ward Coordinators presented the following;

PROJECT PROPOSED	SECTOR	ACTIVITY	SUB-LOCATION
Singenge Primary School	Education	Construction of 1No. Classroom	Kajwang
Kobodo Health Centre	Education	Construction of 1No. Classroom	Kajwang
Kobodo Health Residential	Education	Construction of 1No. Classroom	Kajwang

3.1.7 CHALLENGES

Late disbursement of project funds leads to projects not being implemented in time which lead to rise in project costs due to factors like inflation due to time value of money and bursaries not awarded to students when the schools open, hence students and pupils retention in learning institutions is greatly affected negatively.

3.1.8 WAY FORWARD

The NG-CDF Board should facilitate timely disbursement of funds to constituencies in order to fast track development initiatives

3.1.9 CLOSING REMARKS

The Area Member of Parliament request the Constituency Chaplain to order for prayer at 5:03p.m

[Handwritten signature]

[Handwritten signature]

3.2 WARD2: NORTH KABUOCH

The meeting took place on Wednesday 30th November 2022 at Aluor Primary School at 11:00am.

3.2.1 MEMBERS PRESENT

- ❖ Area Member of National Assembly
- ❖ Fund Account Manager
- ❖ NG-CDF Committee Members
- ❖ Assistant County Commissioner
- ❖ Area Chiefs and Assistant Chiefs
- ❖ Area Elders
- ❖ Secondary Schools Heads Representatives
- ❖ Primary Schools Heads Representatives
- ❖ Invited Stakeholders
- ❖ Members of the public

3.2.2 PRELIMINARIES

The Ward Co-ordinator called the meeting to order and called upon one volunteer to lead in opening prayer and request the Area Chief to welcome visitors in his jurisdiction.

3.2.3 COMMENTS BY THE AREA CHIEFS

The meeting was attended by four chiefs from East Kachieng Location, West Kachieng Location, Central Kabuoch Location and North Kabuoch Location with two Assistant chief in North Kabuoch ward. Who jointly thanked the NG-CDF through Area Mp for organising a forum where the public have the opportunity to front the projects that they would like NG-CDF to implement within their framework.

3.2.4 COMMENTS BY THE DEPUTY COUNTY COMMISSIONER

He recommended the participants for their attendance and appealed the meeting to encourage all development stakeholders to have a positive attitude and dedication towards development,

since development cannot be initiated and owned by foreigners but by the residents themselves. He again urged chiefs to forward their proposals for better structures within their locations.

3.2.5 COMMENTS BY THE FUND ACCOUNT MANAGER

The Fund Account Manager informed the meeting on the nature of eligible projects fundable by NG-CDF as community based to ensure that the prospective benefits are available to a widespread cross-section of the inhabitants of a particular area and those in respect of works and services falling within the functions of the National Government under the constitution.

Further to this he also highlighted the ineligible projects which include: Projects supporting religious bodies or religious activities, projects supporting political bodies or political activities, recurrent costs of a completed projects, personal projects, private projects and projects targeting a specific club or group of people to the exclusion of others

3.2.6 COMMENTS BY THE NG-CDFC REPRESENTATIVE

The chairman thanked the constituents for attending the meeting, he explained the relevance of the meeting and the need for NG-CDFC to convene open forum public meetings at in every ward in the constituency to deliberate on development matters and project priorities in the ward and the constituency. He requested the representative of North Kabuoch ward to ensure that there is free and fair in eligible projects irrespective of those who did not support the regime.

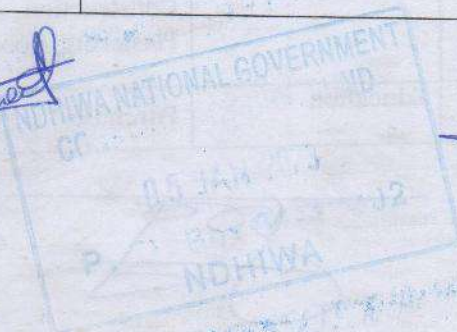

3.2.7 COMMENTS BY THE AREA MEMBER OF NATIONAL ASSEMBLY

He thanked all members in North Kabuoch Ward in general for turning up to vote for him and instead he reiterated on the need of equitable distribution of resources as opposed to equal distribution, to enable all the areas in the constituency get the requisite development initiatives for better livelihood and stressed on stewardship of funds by the community members since they are the development consumers and community watch dogs. He praised the Fund Account Manager for his effort to coordinate the team through ward coordinators for successful of the ward report project proposal.

3.2.8 PROJECT PRIORITIES IDENTIFIED IN NORTH KABUOCH WARD

The project priorities were presented per location as tabled below

PROJECT PROPOSED	SECTOR	ACTIVITY	SUB-LOCATION
Koduol Primary School	Education	Renovation of classrooms 8No. Construction of Classrooms, Plastering, flooring and Painting	East kachieng
Wayaga Secondary School	Education	Construction of Classrooms, Plastering, flooring and Painting	East kachieng
Wikoonge primary school	Education	Construction of 1no. classrooms Road Opening and formation of 4km road	East kachieng

Ombo-Malele	Road	Road Opening and formation of 4km road	East kachieng
