**IEBC NUMBER 250**

**CONSTITUENCY DEVELOPMENT FUND**

**WARD REPORT**

**2021/2022 FINANCIAL YEAR**

**SUBMITTED**

**SEPTEMBER 2021**

## 1.0 INTRODUCTION

The NG-Constituency Development Act 2015 stipulates in part 5 section 27 subsection 1 and 2 that the chairperson of the NG-CDFC shall, within the first year of the commencement of a new Parliament and at least once every two years thereafter, convene open forum public meetings in every ward in the constituency to deliberate on development matters in the ward and in the constituency.

The NG-CDFC shall then deliberate on project proposals from all the wards in the constituency and any other projects which the Constituency Committee considers beneficial to the constituency, including joint projects with other constituencies, consider the national development plans and policies and the constituency strategic development plan, and identify a list of priority projects, both immediate and long term, out of which the list of projects to be submitted in accordance with the Act shall be drawn from.

Citizen participation in project planning, management and implementation planning requires the involvement of concerned stakeholders. This includes identifying public concerns and values and developing a broad consensus on planned initiatives. It is also about utilising the vast amount of information and knowledge that stakeholders hold to find workable, efficient and sustainable solutions.

Public participation encompasses a range of procedures and methods designed to consult, involve, and inform the public to allow those that would be potentially affected by a decision or policy to have input into the process. Community participation motivates the stakeholders to work together, recognize the benefits of their involvement and own the projects in their localities. Stakeholders play a central role in setting up priorities and objectives of development.

Initiatives in order to ensure relevance and appropriateness. It is important that all stakeholders are involved in the development of projects and not just direct beneficiaries of an initiative.

### 1.1 ABOUT NG-CDF

The Constituencies Development Fund (CDF) was established under the Constituencies Development Fund (CDF) Act, 2003, amended in 2007 and repealed by the CDF Act of 2013. In 2015, the CDF Act of 2013 was declared unconstitutional and a new Act was enacted in 2015, being the National Government Constituencies Development Fund Act, NG-CDF Act, 2015. The National Government Constituencies Development Fund (NG-CDF) is under the Ministry of Devolution and Planning.

The Constituency Development Fund (CDF) was introduced in Kenya in 2003 with the passage of the CDF Act 2003 by the 9th Parliament of Kenya which was repealed in 2013 by the CDF Act 2013. The CDF Act provides that the government set aside at least 2.5% of its ordinary revenue for disbursement under the CDF program.

The fund was designed to support constituency-level, grass-root development projects. It was aimed to achieve equitable distribution of development resources across regions and to control imbalances in regional development brought about by partisan politics. It targeted all constituency-level development projects, particularly those aiming to combat poverty at the grassroots and entrench equitable distribution of development.

The objective of the Fund is to provide mechanisms for supplementing implementation of the National Government development Agenda at the constituency level.

The CDF program has facilitated the putting up of new water systems, health and education facilities in all parts of the country, including remote areas that were usually overlooked during funds allocation in national budgets.

The enactment of the CDF Act 2013 was mainly aimed to ensure that the law governing CDF is aligned to the Constitution of Kenya 2010, specifically in compliance with the principles of:

- Transparency and accountability,
- Separation of powers; and
- Participation of the people.

The new law was also aimed to align the operations of the Fund to the new devolved government structure.

### 3.4.5 COMMENTS BY THE NG-CDF SECRETARY

He asserted that, decentralized funds are established based on the belief that implementing bodies at the local level have a better understanding of community needs. Decentralized funds are established to increase community participation in local decision making, enhance government transparency, speed up government responsiveness, and improve quality of service delivery.

### 3.4.6 COMMENTS BY THE AREA MEMBER OF NATIONAL ASSEMBLY

He pointed out that the impact of NG-CDF cannot be underrated in transforming people's lives in the country. In the education sector, NG-CDF has facilitated construction of various infrastructural developments in schools, and this has assisted in increasing student enrolment and offering of

conducive learning environment. The NG-CDF bursary has helped retain in schools students from low income families. Hence, the public should champion for the protection and retention of the fund as much as possible.

## SUMMARY

The Member of Parliament took the opportunity to thank all leaders especially the Members of County Assembly for taking their time and showing commitment towards developing Ndihiwa Constituency. He urged the members of the public to cooperate with the NG-CDFCs so as to make the Constituency the best in terms of development in the County and Region.

The Assistant County Commissioner 1 thanked officials of the Provincial administration for the quick response they made to mobilize members of the public to attend the forums. He urged them to ensure peace prevails in their area of jurisdiction without forgetting to mention the illicit brew menace.

The Chairman NG-CDFC praised hardworking members of the Project Management Committees and urged others to follow examples of best managed projects. He informed the public that he will ensure through Monitoring and Evaluation by NG-CDFC team that all Projects show value for money at the end of the project period. He thereafter called upon Chaplain to close the meeting with a word of prayer.
